Schools Adaptable For Wider Use Here

**GC Building Designs
Provide for Cooling,
New Teaching Methods**

Schematic drawings approved by the Granite City school board Monday night call for combined junior high school-grade school at Maryville road near Route 203 and an elementary school of similar appearance on Old Alton road in the Norwood area north of West Pontoon road.

All the new facilities will be air-conditioned as part of the initial construction and will feature designs dramatically different from older schools here, with emphasis on more flexible usage.

Although a departure from past designs, the buildings can be erected for approximately the same cost as more conventional structures, the board was told by Henry Gabriel and Sylvester Duglough, architects for the junior high, and Virgil Duglough, architect for the two grade schools.

Due to the decision to unite the two Maryville-203 schools into a single building, the two architectural firms are cooperating closely with each other as well as with administrators and faculty committees. It was noted.

Goal of the planning is to take maximum advantage of cognizance of construction and instructional innovations perfected since previous school building programs.

Many Movable Walls
Highlights will include rooftop heating-cooling units to serve groups of classrooms, rather than a single furnace necessitating long steam lines; frequent use of movable walls, partitions and furniture, with elementary classrooms sharing instructional materials centers and junior high rooms sharing access to interior courtyards; carpeting to minimize noise; and designs avoiding a closed-in effect but greatly reducing the number of windows, which have become one of the costliest school maintenance problems in the U. S. due to breakage.

The new facilities will permit traditional teaching but also will be adaptable to team teaching (in which several teachers each present their specialized knowledge to several classes) and to nontraditional instruction (in which each pupil is at his own achievement level and taught by different teachers for a variety of levels and subjects).

The combined junior high-grade school represents the first phase of a plan which will be fully implemented later through construction of additions and an extra building, which will become a second high school.

In the intervening years,

Former GI Receives Bronze Star Medal

Army Specialist Five Glenn A. Warfield, 24, has been awarded the Bronze Star Medal for outstanding meritorious service in Vietnam during the period February 1968 to January 1969. He was officially notified about the award last week.

The former serviceman, a son of Mr. and Mrs. Plance Warfield, 2205 Madison avenue, received his discharge from the Army upon his return from Vietnam in February. He has since resumed employment in the Production Control Department at Granite City Steel Company, where he was employed six years before entering the service.

A 1962 graduate of Granite City high school, SP5 Warfield served in Vietnam as section chief and chief computer of the fire direction center for "B" Battery, 6th Battalion, 33rd Artillery.

The citation accompanying the medal reads in part: "Specialist Five Glenn A. Warfield distinguished himself by outstandingly meritorious service in connection with military operations against a hostile force in the Republic of Vietnam."

"His consistently outstanding performance and solution of numerous problems inherent in a combat environment greatly enhanced the allied effort effectiveness against a determined and aggressive enemy."

"Despite many adversities, he invariably performed his duties in a resolute and efficient manner. Energetically applying his sound judgment and extensive knowledge, he has contributed materially to the successful accomplishment of the United States mission in the Republic of Vietnam."

"His loyalty, diligence and devotion to duty were in keeping with the highest traditions of the military service and reflect great credit upon himself and the United States Army."

Traffic Volume Is Certain for Illinois Airport

A new major airport on the Illinois side of the two-state metropolitan area would absorb immediately a vast volume of freight and passenger traffic which already is outstripping the facilities of Lambert Field in St. Louis, the St. Louis Regional Industrial Development Corporation said in a report released Monday.

In a report prepared for Illinois Gov. Richard B. Ogilvie and St. Louis Mayor A. J. C. Cervantes, who have agreed on plans for construction of an Illinois airport to serve the metropolitan area, the RIDC said that a 400 to 1700% increase in non-passenger activities and between 300 to 500% increase over 1960 in passenger traffic is projected in this area by 1975.

The only limit to prospective growth, the report said, depends "largely on terminal and transportation improvements made to accommodate this growth."

Faster Growth Rate
The report specifically notes that existing facilities of the metropolitan area will not be able to handle this dramatic increase, and points out that air freight volume at Lambert Field has grown at a significantly faster rate than growth of air freight at the national level.

Between 1962 and 1968, the RIDC report says, non-passenger activities (freight, express and air mail) in the nation grew 121% while the same activity in the St. Louis area grew 195%, over one-third faster than the national growth rate. At the same time passenger activities in the nation grew 124%, but in the St. Louis

Collection Of Record Tax Bills To Start

**Nameoki Office Opens
Tomorrow; GC to
Begin on June 23**

Nameoki township tax collections will start tomorrow and Granite City collections will get under way June 23, it was announced today as officials prepared to collect the biggest local tax bill in the history of the Quad-City area.

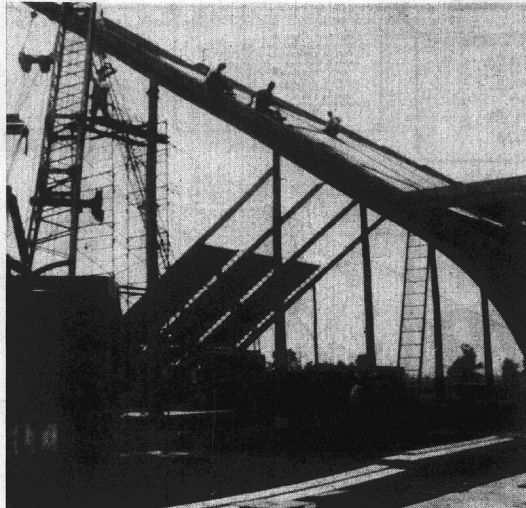

Town Collector Eugene Rotter of Nameoki township announced his collections will be made as in the past at the Granite City Trust & Savings Bank where taxpayers may pay their bills at any time during regular banking hours. Rotter said tax bills were placed in the mail last week.

Granite City Treasurer E. R. "Pat" Rich announced at the same time that he will begin collections on Monday, June 23, with office hours 8 a.m. to 5 p.m. daily. Monday through Friday, at the city hall.

Planned Earlier Date
Rich had announced earlier that he hoped to begin Granite City tax collections on Monday, June 16, but said today that it was impossible to complete the vast billing job in time for that opening date. Some Granite City tax bills will be mailed June 20 and the remainder on June 21 and 23, Rich said.

The firm will employ 12 to 15 persons in the operation of a bulk loading and unloading facilities and the 200x500-foot warehouse. G. H. Sternberg & Co. is the contractor.

Port Board OK's Plans For Rail Extension

Plans for the extension of railroad lines at the Tri-City Regional Port on the Chain of Rocks Canal were approved by the Port Board in meeting Monday night.

The board also approved plans for the new enclosed storage facility that will extend over the B-State track and the levee to the Port District's loading facilities. Those the rail line plans and those for the conveyor are subject to approval of the U. S. Army Corps of Engineers.

Carl Ranft, Port manager, said bids will be called soon on the work of extending the rail lines for a distance of about 3000 feet. The lines will be extended to serve new bulk storage facilities being built at the Port area.

Aid Plan for City Streets Offers 50-50 Fund Grants

A new federal program that will provide direct aid to cities for improvements in "capacity and safety" of existing city streets will be outlined soon by Quad-City area city officials by Robert Kronst, District 8 engineer of the Illinois Highway Department, it was reported yesterday.

Kronst said arrangements for the meetings have not yet been made but sessions probably will be held in about two weeks to explain details of the new plan under which cities may obtain a 50-50 matching share of federal funds for carrying out any of a number of improvements that would increase capacity of traffic flow and improve safety conditions on existing major

Venice Will Assess \$10 Fines in Auto Tag Drive

Venice motorists who fail to display auto wheel tag tags after 6 a.m. Sunday will be fined \$10 an required to buy ticket at increased cost of \$5. Police Chief John Essington announced yesterday.

Chief Essington said the June 15 date has been set as an "absolute deadline" by which motorists must purchase the wheel tag stickers at the present cost of \$3 per passenger auto. The police department will begin arresting all motorists whose cars do not display

the stickers after 6 a.m., he said.

The motorist will be given a ticket which will require payment of \$10 fine plus \$5 for the auto tag.

Essington said that the auto tags will cost \$5 to all purchasers beginning with the 6 a.m. Sunday deadline, regardless of whether or not the motorist has been arrested or given a ticket.

Until yesterday the Venice city clerk's office had sold about 985 of the tax stickers, with a total sale of about 1350 expected this year. Chief Essington said his department also plans a crackdown on the collection of business license fees and truck license fees.

About 75% of all businesses have been paid and about 65% of the approximately 225 truck licenses have been obtained by operators.

Small Girl Loses Tip Of Finger in Mishap

A two-year-old girl lost the tip of the little finger on the right hand in an accident with a hand-operated lawnmower Tuesday evening and was admitted to the pediatric ward at St. Elizabeth Hospital.

Marle Sanders, daughter of Mr. and Mrs. Clyde Sanders, 2204 Missouri avenue, incurred the injury at 6:45 p.m. Tuesday, when she stumbled against the machine and caught her hand on a blade. The mower was being pushed by an older child on the lawn of the Sanders home, according to the father. The child may be released from the hospital today, he said.

The program is known as the Traffic Operation Program to Improve the Capacity and Safety of City Streets.

The planning and funds will be limited, Kronst said, to installation of traffic signals, channelizing intersections with medians and left-turn bays, and the widening of intersections.

Richard Donitrovich, general chairman of the beauty-talent contest, presented each year under the auspices of the Granite City Jaycees, said the parade participants will assemble at 6 p.m. Friday on the 27th street, parkway, near Wilson Park entrance.

The motorcade will travel through the downtown business district, then retrace its route north on Madison, ending at the Nameoki Village shopping center.

Joining the candidates and their official Jaycees escorts on a tour of the local community will be Leetta Marmon—the reigning Miss Granite City—who will crown her successor in

Young Violators Ordered to Attend School on Traffic

Youths who are arrested on traffic charges are being ordered to attend a special traffic safety school by Magistrate William Johnson.

The first session will be held at 6:30 p.m. today in the magistrate's courtroom in the Granite City hall. The program was initiated by Chief Circuit Judge Harold R. Clark and C. A. "Bud" McMillan of Coordinated Youth Services.

A state trooper will present a mock show a movie on an hour-long program. A traffic session will be held one evening a month, Judge Johnson said. Parents and others interested are invited.

Quilters Victims Of Church Thief, 5 Homes Entered

Women quilting in the basement of a church were victims of a thief and five homes were entered as 17 cases of thefts and burglaries were reported in the Quad-City area this week.

Purses of four women who were quilting in the basement of the N. M. and O. K. Methodist Church, Primrose avenue and Pontoon road, were looted by a young man at about 11 a.m. Wednesday.

A witness, a young girl, saw him behind a counter and started to question him. He ran upstairs and escaped in a white-over-blue 1968 auto.

Victims were Viola Thornberry, 1530 Johnson road, a watch and \$15 to \$20; Frances Reid, 3341 Johnson road, \$40; Elna Potter, 2708 National avenue, a wallet and about \$8; and Dorothy Wallace, 2708 National avenue, \$10 to \$15. Several dollars in change was stolen from a coin box in the church.

The girl described the thief as being about 20 years old, about 5 feet, 8 inches tall, with long black hair and wearing dark blue trousers and a light blue shirt.

Two Store Break-ins
Break-ins occurred at the Singer Sewing Machine Co., 1235 19th street, where merchandise valued at \$378 was stolen, and at the Surplus store, 19th street and Niedringhaus avenue, where there was no entry.

Large concrete blocks were thrown into a window and door at both stores early this morning and several Negro males were seen running from the stores to a black-over-white 1968 auto which was parked behind the Travelodge motel across the street. They headed south in the alley between Delmar avenue and 12th Cleveland Blvd.

Taken from the Singer store were two portable record players valued at \$88 and a portable television set valued at \$119, a used TV set valued at \$80 and a portable record player valued at \$19.

Burglars entered Washington school, West 20th street and Nevada avenue, and ransacked the office and other parts of the building, it was reported at 11 p.m. Wednesday. Two basketballs and several rubber stamps

GC Youth Killed in Crash at Eldon, Mo.

**3 GC Youngsters are
Hurt in 3 Mishaps
Involving Autos**

A Granite City sailor, who was enroute to the Lake of Ozarks before coming home on leave, was killed along with two companions in a one-car mishap at 10:30 p.m. Monday near Eldon, Mo.

He was Seaman Daniel Patrick Cavar, 18, son of Mr. and Mrs. Andrew Cavar, 3815 Pontoon road. It was learned that Seaman Cavar was due home on leave from Norfolk, Va., where his ship, the carrier USS Forrestal, is berthed, and that he and his companions decided to go to the Bagnell Dam area before going home.

Also killed were the driver of the auto, David Doyle Dodson, 18, of Candemont, Mo., and Bill Gene Bean, 18, of St. Peters,

Missouri state police said the auto was traveling south on Route 54 at a high rate of speed and passed several cars before going out of control and flipping end-over-end several times before coming to rest on its wheels, headed north.

Seaman Cavar, a native Granite Cityer, had been in the Navy about a year.

In addition to his parents, he is survived by six brothers, Robert Paul, Curran Lee, Mitchell, Leonard Michael Cavar, 20, who is in the Army in Vietnam, James Albert Cavar, 22, Stanley Lawrence, 16, David John, 15, and Andy George Cavar, 10, all of Granite City, and a sister, June Marie Cavar, 14, of Granite City.

The father is a truck driver for Tri-City Grocery Co. Funeral arrangements are given in today's obituary column.

Girl Hit by Car
Christine K. Aye, Coleman, eight, daughter of Mr. and Mrs. Richard Coleman, 3237 Killarney drive, was injured when she was struck by an auto driven by Glen Sprinkle, 1520 Joy avenue, at 3:15 p.m. Tuesday as she ran from behind a parked car into his path at 27th street and Delmar avenue.

She was admitted to St. Elizabeth Hospital with multiple abrasions and contusions to the face, left leg and right knee. X-rays were taken.

Miss Granite City Pageant Saturday; Parade Tomorrow

Local residents may enjoy a preview glimpse of the eight young women who will compete Saturday evening for the title of Miss Granite City during a parade, scheduled for 6:15 p.m. tomorrow through the downtown Granite City area and suburban shopping centers.

In announcing the parade and 50 cents for children, general chairman of the beauty-talent contest, presented each year under the auspices of the Granite City Jaycees, said the parade participants will assemble at 6 p.m. Friday on the 27th street, parkway, near Wilson Park entrance.

The motorcade will travel through the downtown business district, then retrace its route north on Madison, ending at the Nameoki Village shopping center.

Joining the candidates and their official Jaycees escorts on a tour of the local community will be Leetta Marmon—the reigning Miss Granite City—who will crown her successor in

the 1969 pageant set for 8 p.m. Saturday in the auditorium of Granite City high school.

Tickets at Door
The tickets, at which a local girl will be selected to represent the community in the Miss Illinois contest at Aurora, July 20-26, is open to the public. Tickets, priced at \$1 for adults and 50 cents for children, will be available at the auditorium door, Donitrovich said.

Two weeks of hectic preparation for the contestation party for the contestants and their families, numerous practice sessions and picture-taking will culminate in the candidates when they step onstage Saturday evening. The moment is a preview of the chance for the wide honors and the first step toward the Miss America crown.

preliminary activities are scheduled to take place before the spotlight illuminates the candidate on center stage. This includes a detailed dress

CHARTER OFFICERS of Chamber of Commerce Women's Division. Seated, left to right, are Mrs. Jo Meyer, vice-president; Dr. Felicia D. Koch, president; and Miss Hilda Schreder, treasurer. Standing, from the left, are Mrs. C. E. Blankenship, Miss Dorothy Davis, Mrs. Nigel Maeras and Mrs. Margaret Lee, directors. Not shown is Mrs. Ruth Ann Partney, recording secretary.

Women's Division Of Chamber Picks Charter Officers

The Women's Division of the Chamber of Commerce of the Tri-Cities elected its first officers at a dinner meeting Monday evening at Sunset Hill Holiday Inn.

Dr. Felicia D. Koch, local medical doctor, was chosen as president. member of the Chamber board of directors, she had been appointed earlier in the year by C. of C. President Clifton E. Blankenship to coordinate formation of the new division.

Mrs. Charles (Jo) Meyer, Illinois Power Co. home economist, was elected as vice-president. Recording secretary is Mrs. Ruth Ann Partney, wife of Mayor Donald Partney, and treasurer is Miss Hilda Schreder, owner of the Holiday Service travel agency.

The officers will serve for the 1969-70 year.

Directors for two years are Mrs. Stephen (Nigel) Maeras, wife of the mayor of Madison, Mrs. John E. (Margaret) Lee, wife of the mayor of Venice.

Elected as directors for one year were Mrs. C. E. (Mary) Blankenship and Miss Dorothy Davis, Illinois Power commercial sales representative.

Dr. Koch appointed Mrs. Mary Ann Lay, wife of Dr. Ober Lay as historian.

The gathering reviewed early activities of the Women's Division, including participation by 16 members in the annual one-day Chamber membership campaign last week. The ladies obtained 20% of the memberships garnered that day.

Also discussed were the division's Quad-City beautification program and its participation in the opening of the new St. Elizabeth Hospital coffee shop.

Bylaws adopted by the division Monday night call for it to "augment and complement the activities of the Chamber of Commerce of the Tri-Cities in the advancement of civic and community interests."

Non-Partisan Group

It is to be non-partisan, non-sectarian and non-sectional and will not as a group support any candidate for public office. It will not commit itself to the solicitation of advertisements or donations.

Membership will consist of women members of the Chamber, wives of Chamber members and representatives designated by firms holding Chamber membership.

Meetings are to be held in alternate months on the second Monday.

Aqualand, Midtown Pet Supply Open Downtown

Amvets Post 51 Public Installation June 29

Public installation ceremonies for new officers of Quad-City Amvets Post 51 will take place at 2 p.m. Sunday, June 29, at the Post Home, 5100 Lakeview drive, and a family barbecue in observance of "Father's Day" is planned for this Sunday, post members learned at a meeting last evening.

Leo Clements, newly-elected commander, conducted the business session, with a progress report on modernization of the clubhouse kitchen presented by Ben Sanders.

Authorization was given for the local post to sponsor the Piassa Indians of Alton, a girls' drill team sponsored by three veteran organizations.

Plans for the joint installation of Amvets and Auxiliary officers June 29 were discussed. Guests will be invited and a buffet luncheon served. Commander and Mrs. Clements were named as delegates to the Amvets state convention, June 19-21 in Waukegan.

Traffic Signal Change

Margaret Swigert, 1705 Venice avenue, was charged with passing a flashing red traffic signal at Madison avenue and Nameoki road at 4:20 a.m. Wednesday.

St. Louis to Back Plan For Airport On Illinois Side

First steps toward building a second major airport on the Illinois side of the two-state metropolitan region were taken Tuesday by Illinois Gov. Richard B. Ogilvie after St. Louis Mayor A. J. Cervantes announced he will support the Illinois airport plan.

Mayor Cervantes' commitment to an Illinois airport location that would place a new airport closer to downtown St. Louis than any available site on the west side lent immediate support to the potential selection of one of several projected Madison county sites, including the Lakeview Airport and the surrounding area.

Announcement that Gov. Ogilvie and Mayor Cervantes agreed in their view of plans for a second major airport — primarily that it be on the Illinois side of the river — followed a meeting of the two officials in Springfield.

To Submit Legislation They met for half an hour, then announced that preliminary plans toward construction of the airport had been determined. Ogilvie said he will submit necessary legislation in the next session of the legislature, probably early next year, and that he will announce a timetable of planning and construction as soon as an engineering study now under way is completed.

The airport site will be made public later, the governor said, and Cervantes remarked that the site will be closer to downtown St. Louis than Lambert Airport.

Both officials said they expect approval of the airport plans soon by the Federal Aviation Authority which must authorize air corridors. The plan as discussed by the two officials also is said to have the approval of David Leighty, manager of Lambert and chairman of the St. Louis Airport Commission.

Construction of a second major airport in the metropolitan area has been under consideration for the past two years. Illinois began its efforts to locate such an airport on the Illinois side of the river more than a year ago when state officials pledged state sponsorship of such a program and secured a state appropriation of \$50,000 for an engineering survey of potential sites.

"Wouldn't Help St. Louis" Following Tuesday's meeting with Gov. Ogilvie, Mayor Cervantes pointed out that it does not now appear feasible for St. Louis to build a major airport in Missouri because "we'd have to go way out west" to find a site that would not interfere with the air corridors of Lambert Field, "and this Leighty wouldn't help Central St. Louis which we're trying to rebuild."

"The mayor said he went to Springfield Tuesday to get a first-hand idea of Ogilvie's plan for an Illinois airport."

"If I had not received the kind of report I did, I was prepared to push for development of a supplemental field for Lambert at a site in Missouri. I am delighted and pleased at Ogilvie's action and progressive attitude on the proposed project for the Illinois side and he'll have my fullest cooperation. I'm sure all St. Louisans are grateful," Cervantes said.

Suicide Prevention Service Incorporates

The Madison-St. Clair County Suicide Prevention Service has been incorporated with the registered office listed as 310 North 10th street, East St. Louis. It is the Zone 7 office of the Illinois Department of Mental Health.

Its purpose will be to provide emergency telephone service and coordination of emergency services of cooperating facilities.

These are the Madison county Quad-Cities and Alton mental health centers, the Madison County Association for Mental Health, the Mental Health center of St. Clair county in East St. Louis, the Belleville mental health outpatient center and the Mental Health Association of St. Clair county.

Rev. Fred M. Cornell of Belleville is president of the board of directors which includes Leon G. Scroggins, William Daumiller, Mrs. Ralph Hausmann and Ronald Randall of Granite City.

Among persons responsible for the incorporation of the service are William Atkins, Daumiller, Mrs. Hausmann and Randall of Granite City.

MHS Humanities Group Hears Lecture on Art

Mrs. Phyllis Crews, art instructor at Granite City high school, presented a lecture program for the final large group meeting of the humanities classes at Madison high school on Wednesday.

She lectured on the various media being used in art and displayed some of her paintings along with painting by her students. She also gave a demonstration on silk screening and etching.

A series of cultural programs were presented for the humanities classes during the school year, including lectures and demonstrations in music and the theatre.

Dies of Nursing Home

Joseph Maas, 83, a patient at the Colonnades Nursing Home for 15 months, passed away there at 9 p.m. Monday. He was a retired farmer from the Godfrey area. Services were held at 10 a.m. today at St. Ambrose Catholic Church, Godfrey.

Burglary Charge Filed Against Venice Youth

Hollis Fifer Jr., 19, of 1208 Douglas street, Venice, was charged with burglary by Madison police yesterday following Fifer's arrest as a suspect in the break-in at the Curlew Davis Grocery, 218 Third street, West Madison, about 12:30 a.m. last Monday.

The burglary was discovered by police who noticed an air conditioner had been removed from a window. The front door was found open and the air conditioner was found inside the building. Nothing was at first believed missing from the store, but the owner later reported that 15 packages of cigarettes were taken.

Fifer was arrested yesterday by Venice police and turned over to Madison authorities on a burglary warrant.

Capt. Fields Promoted Assigned to Vietnam

Captain Randall L. Fields, a U. S. Army helicopter pilot, will depart Saturday for a 12-month tour of duty in Vietnam, after spending an embarkation leave at home with his wife, the former Miss Mary Roberts Podnar of Granite City. The couple resides at 845 Alton avenue, Madison.

The Army Air Force officer was promoted to captain on April 28, while taking advanced instruction on the new Cobra gunship "coppers" at Hunter Army Air Field, Ala. He received flight training at Fort Wolters, Tex., and Fort Rucker, Ala., from where he was graduated and awarded his pilot wings on April 8.

A 1964 graduate of Granite City high school, Capt. Fields attended Southern Illinois University-Southwestern campus for two years. Prior to enlisting in the Army on Feb. 16, 1966, he was employed by Southwestern Bell Telephone Co.

From June 1967 to June 1968, Capt. Fields was stationed at Friedberg, near Frankfurt, Germany. He was accompanied by Mrs. Fields during the European tour.

Truth in Lending Is Topic of GC Rotary Meeting

Joseph P. Garbarini of the Federal Reserve Bank of St. Louis discussed aspects of Regulation "Z"—the "Truth in Lending" bill with Granite City Rotarians at the club's luncheon meeting Tuesday in the YMCA.

Forty-three were present and the guest speaker was introduced by Richard H. Lauck, Vice-President Carl E. Mathias presided.

Garbarini, an assistant vice-president of the St. Louis bank with responsibilities for the credit-discount and bank relations and public information departments, said the "truth in lending" regulations go into effect July 1 and applies to all lending institutions and business firms extending credit.

Primary purpose of the new statute is consumer credit cost disclosure—breaking down into dollars and cents the financing charges thereby permitting the borrower to compare the annual percentage rate of his loan or credit charges.

The cost of a loan or credit purchase must be disclosed to the individual in writing before the transaction is completed, Garbarini said.

The new regulations apply to all loans, open end credit accounts and revolving accounts and all purchases on credit involving more than four payments. Maximum or minimum interest rates are not governed by the regulation, as this aspect is covered by state law, he explained.

Arrangers of credit, such as service station operators, or real estate concerns will be affected by the federal regulation, which will require considerable revision of record keeping procedures for many business concerns which extend credit.

A film strip explaining the law was narrated by the guest speaker who also answered questions from club members. Mathias announced the Granite City Rotarians annual installation dinner will take place Saturday, June 28, at Sunset Hill Holiday Inn.

Social Security Benefits Young People in School

Social security benefits paid to young people 18 to 22 years of age who are still in school amount to more than the scholarships at all colleges and universities in the United States, Ralph Brauer, Social Security district manager, said today.

During the 1968-69 school year which has just closed, the social security program paid approximately \$478 million to some 466,000 students entitled to payments on the earnings record of a disabled, retired, or deceased parent. This is an average of slightly more than \$1000 to each eligible student.

The school year that begins next fall will mark the fifth year of payments under a 1965 change in the law providing for the continued payment of child's benefits beyond the age of 18. Until that change a child's payments stopped when he became 18 unless he was totally disabled.

There is nothing in the law that prevents the student from receiving his social security benefits while he is receiving assistance from a scholarship fund or working part time.

affected by the federal regulation, which will require considerable revision of record keeping procedures for many business concerns which extend credit.

A film strip explaining the law was narrated by the guest speaker who also answered questions from club members. Mathias announced the Granite City Rotarians annual installation dinner will take place Saturday, June 28, at Sunset Hill Holiday Inn.

2 Nameoki Funds Broke; Some Bill Payments Held Up

Nameoki township is virtually "broke" in its town fund and road and bridge fund and will be unable to meet payment of bills out of either of those accounts until new tax levies are made available, according to developments in Monday night's regular town board meeting.

Collection of 1968 taxes by Town Collector Eugene Rotter is scheduled to begin Friday, but first distribution of tax funds is not considered likely for at least six weeks.

The financial problem was disclosed by Town Clerk Louis Whitsett in a report which listed a balance of only \$147 in the town fund and a balance of \$1895 in the road and bridge fund. The report also showed balances of \$13,148 in the general fund and \$14,924 plus a \$10,000 time deposit certificate in the special hard road fund.

Whitsett and other town board members said the \$147 balance in the town fund is all that remains of \$10,000 in bonds.

Warrants several weeks ago to pay off old bills "that were hanging over" the town were not paid.

All of the present board members except Supervisor Harry Briggs replaced the previous board membership as a result of the April township election in which the incumbents were defeated.

Whitsett, who served as acting chairman of the meeting Monday night in Briggs' absence, told the board that the road and bridge fund is in particularly bad straits because there are \$4500 worth of unpaid bills pending against this fund, not including the bills approved for payment in Monday night's meeting.

The board approved \$127 in town fund bills and an additional \$975 in road and bridge bills under a motion by town Auditor Robert Beedle that provided the bills be "vouchered only" and not paid until funds become available.

Bids for furnishing chemicals for mosquito spray were received by board members from four firms with prices ranging from \$2.35 per gallon to \$20 per gallon. Board members pointed out, however, that the concentration of the mixtures, their chemical makeup and other factors enter into determination of the best available price.

Bid on 3 Products

The Consolidated Chemicals Co. of St. Louis submitted offers on three different products at prices of \$2.35, \$8.10 and \$10.65 per gallon, while Thompson-Hayward Chemical Co. of St. Louis submitted bids of \$5.04 per gallon and \$20 per gallon on two different products. Campbell Chemicals Co. of St. Louis bid \$4.50 per gallon and Moore Research Co. bid \$8.03 per gallon.

The board took all bids under consideration and will study them in a meeting of the board as a committee to report later with recommendations.

On a motion by Beedle, the board turned down a request by Mrs. Dorothy Nenninger, office manager of the town office, for a salary increase. Beedle pointed out that Mrs. Nenninger's salary is paid jointly by the town fund, the road and bridge fund and the general assistance fund. A computation of hours worked and the present salary indicates the town fund and road and bridge fund pays Mrs. Nenninger \$3.10 an hour while she receives \$2.71 per hour from the general assistance fund.

Any increase in the salary should come from that division which is under Briggs' supervision, Beedle said.

GC Park District has Park Police Openings

Three or four openings remain on the Granite City park district police force which has been expanded due to increased participation in the summer recreation program, Harold Brown, park superintendent said today. Applicants must be residents of the park district and over 21 years of age.

Several school teachers acquainted with local youth currently are employed on the park force, it was reported. Applications will be accepted at the Wilson Park office and an interview arranged, Brown said.

Openings are on the 5 p.m. to midnight and midnight to 8 a.m. shifts. Park police work on a five-day week basis, the official advised.

Attends Funeral

Mrs. J. A. Tatum, accompanied by her brother and sister-in-law, Mr. and Mrs. Sherman Ferguson of Edwardsville, and Mrs. Ernest Aldridge of Belleville, attended the funeral Monday in Pineville, Mo., of her sister, Mrs. Fred Oliver.

The GI Bill education and training program is the veteran benefit that most interests returning Vietnam era veterans. This was confirmed by more than 23,000 such veterans who either mailed or personally brought to the Veterans Administration a reply card inviting them to check specific veteran benefits on which they wanted more detailed information.

The reply card was checked with a letter which the VA sent last December to recently discharged veterans reminding them of the various benefits to which they were entitled.

Education and training was checked on 67% of the cards received from these 23,000 veterans.

The next most frequently checked benefit on which more information was desired was VA medical or dental treatment—50%.

A close third at 52% was the GI Bill home loan program. Employment ranked next at 39%, followed by the VA hospital program (35%), on-the-job training (33%), converted Servicemen's Group Life Insurance (23%), and service-connected disability compensation payments (19%).

These statistics represent the per cent of times each benefit area was checked in relation to the number of cards returned.

A. O. Smith Earnings Expected to Jump 31%

Six-month earnings for A. O. Smith Corp. will be up about 31%, to about \$3.15 per share, it was predicted this week by L. B. Smith, chairman and chief executive officer, in a talk at Dallas, Tex.

He said earnings for the first six months should total about \$7,900,000, compared to \$5,961,000 in the same 1968 period. Smith said the automotive frame division has maintained a strong pace even though volume will be lower in the second quarter due to strikes in customer plants and differences in model change timing.

Park Opera Tickets Must Be Collected

All tickets ordered through the Granite City park district for any of 11 trips to the St. Louis Muny Opera this summer must be picked up at the Wilson Park office by 5 p.m. on the Friday immediately before the Tuesday opera trip for which the reservation is made, Harold Brown, park superintendent said today.

Reservations not paid for or picked up by the five o'clock deadline will be sold the following day, the park official said. A trip to a performance of "Kismet" is planned for local theatergoers this Tuesday.

Salazar Named 'Y' Physical Director

Frank Salazar, 28, this week assumed the duties of physical director of the local YMCA. He and his wife, Margaret, and their daughter, Patricia, four years old, are moving here from El Paso, Tex.

Employment of Salazar by the YMCA board, which is headed by William C. Harris, completes the staff, which also includes Marvin Van Metre, executive director; Forrest Cockrell, moving up from physical director to associate executive director; and Charles Hesse, youth director.

A graduate of El Paso high school, where he took part in all major sports, Salazar played college football for three and a half years at Los Angeles City College and the Mankato, Minn., State College. While at Mankato, from which he graduated, he did YMCA field work. He participated in tryouts of the Minnesota Vikings team of the National Football League.

Salazar has been teaching and coaching at El Paso and has three years of teaching experience. He has held YMCA membership for 21 years, including active participation in the El Paso "Y."

He served as weight lifting instructor at the Westchester YMCA near Inglewood, Calif.

16-13, 13-12 Tilts In Girls' League

Paul Seebold Concrete won over Ravanelli's 16-13, Jacobmeyer's dunked Shady Lake 19-8, Ed Moore Construction overcame Rozycski Realty 11-6 and Ashal Insurance singled Clean Craft 13-12 in Girls' High School League softball Wednesday at Wilson Park.

Ravanelli's had a 20-13 hitting edge, but lost because of a 21-13 error surplus. Kathy Hagnauer was 4-5 with a double, Ann Bickhaus 2-5, Donna Patterson 3-5, Mickey Pratt and Diane McIlvry 2-4 and Kay Nemlinger, a double.

For Seebold, Polly Gloeck had a homer, Connie Crain was 3-5 and Jo Ann Graklanoff, Jan Stelling and Donna Myers, 2-5.

Jacobmeyer's Janet Rutkow.

ski clouted a homer, Phyllis Prazma was 3-5 with a double, Charlotte Tapp 3-5 and Mary Lehné, 2-4. Candy Fuller was injured and removed from the game after batting 3-4.

The first batter for Moore, Pat Kallips, homered. In her second at-bat, she led off the third inning with another homer. Donna Isom was 3-4. Rozycski's Pam Britton and Linda Chapman were each 2-4. Ashal's nine-run opening inning meant the downfall of Clean Craft. Jane Cowan was 2-4 with a triple, Terry Hulse 3-4, Sue Lybarger 2-4, Connie Koester a double and Becky Thomson and Linda Fischer, 2-3. For the losers, Judy Talley was 3-4 with a double, Cathie Farrington 3-3 with a triple and Liz Morrison 2-2.

Mercer, Credit Union Will Collide Sunday

Mercer's, which last Sunday shut out first-place Pocahontas 6-0, will meet GC Steel Credit Union at 2:30 p.m. Sunday at Wilson Park for an Inter-City League Baseball game.

Though Credit Union's worst record of 0-6 does not indicate a serious threat, last Sunday CU scored more runs than it had in any previous game this season. The squad led the Mercerville Red Sox 6-0; only after rain had delayed the game did the CU defense spring a leak.

Other Sunday competition will be Maryville at East Alton and Collinsville at Pocahontas. League standings are now: Pocahontas 4-2, Collinsville 4-2, East Alton 3-2, Mercer 4-3, Maryville 3-3 and Credit Union 0-6.

Don Rains of Mercer, 1-0, is second among the top hurlers with 0.64 earned run average and Steve Lengyel of Credit Union, 0-2, is fifth with 3.00. The league will meet at the local K of C hall at 7:30 p.m. Friday, June 20.

Power Slugging in Western Division

Pieper topped Andria 8-1, Friedrich Heat & Air blanked the Cardinals 13-0 and Tom's Left Overs scorched the Inn Between 16-3 in Western division softball at Worthen Park last night.

Pieper's Carl Donaldson hurled a five-hitter. Walt Bernaia homered, Jim Worthen was 3-4 with a triple, Dave Wilburn 2-3 with two doubles and Dave Rosenburg 2-3.

Jim Mang allowed only two

Cardinal hits. Teammate Mike Burris was 3-3 with a double, Larry Shipley 3-4, Tim Thompson 2-4, Robin Teague 2-4 with a double and Robert Crawley and Mike Friedrich, 2-3.

The Left Overs, tied in hits with 13, showed more power. Vince Marsala was 3-4 with a home run and triple; Bill Rixie, homer; Jerry Shelton, 3-4 with a double; Craig Signall, triple; and Ron Welch, 3-4. For the Inn Between, Dan Towery was 3-3; Bob Butler, 2-3; Jim Moss, 3-3 with a double; and Virgil Cottrell and Jeff Rains, 2-4.

Sir Kelly Finds Juveniles Hiding at Madison School

Two Madison juveniles, described by police as frequent offenders, were booked on charges of curfew violations about 1:30 a.m. yesterday after they were discovered by the Madison police dog, Sir Kelly, hiding outside the east end of the Madison junior high school building, Madison police reported.

The dog attacked one of the boys, bit him on the stomach and was standing guard over him by the time K-9 Officer Ronald Grzywacz could reach the scene, authorities said. The boy was taken by police to St. Elizabeth Hospital where the wound was treated. He was given a tetanus shot, then returned to the police station where he was booked and held overnight, officers said.

Grzywacz reported that he was making a routine check of the schools and was preparing to turn Sir Kelly loose into the junior high school when the dog apparently heard or sensed the presence of the two boys in the dark shadows at the east end of the building and ran toward them. Police said both boys are 15 years old.

The boys were held overnight on orders of Juvenile Officer William Fanning after the boys' parents could not be located, police reported. Police said both boys denied they intended going into the school building. The boys told police they were on their way to the Cloverleaf area.

Police pointed out that the system of checking all school

Cartoons to Help Explain Where Taxes Go

In an effort to make the local tax structure and process more understandable, a six-picture cartoon explanation prepared by Granite City Assessor James Barton is being included with tax bills to be placed in the mail this month.

Barton has had 20,000 of the cartoon presentations printed, and Treasurer Ernest R. "Pat" Rich agreed to include a copy with each of the more than 10,000 real estate and property tax bills prepared for this year's collection.

In addition, arrangements are being made for savings and loan associations to send copies to families residing in

mortgaged homes. In most such cases, the tax bills go directly to the financial institution rather than to the home purchaser.

"Escrow accounts will be inadequate in most cases and will need to be increased this year in order for house payments to provide sufficient money to meet rising property taxes," Barton noted.

After discussing the explanatory approach with Rich and his daughter, Miss Ann Rich, a Granite City high school art instructor, Barton suggested that Miss Linda Beadle, an art student, serve as artist for the project.

Individuals Pay 45%
"Our community is proud of its achievements, which wouldn't have been possible

without tax revenue. As individual taxpayers, we actually pay 45% of the taxes. Industry and business pay 55%.

"In addition, Granite City has one of the finest parks and recreation programs, police protection, library, public assistance, streets and sanitary departments," Bill concludes.

The final picture shows a "general tax statement" listing \$313 for schools, \$100 for the city, \$88 for the township, levee district and county and \$20 for the park district.

It gives a similar breakdown for a year ago consisting of \$270.40 for the schools, \$88.30 for the city, \$84.50 for township-levee-county purposes and \$17 for parks.

Driver Training Starts Monday at Venice HS

A driver's education program for Venice residents 16 and older will be offered by the Venice school district starting Monday, it was announced today by Robert N. Vickers, assistant superintendent of schools.

The program will include 30 hours of classroom instruction and six hours of driving time. Classes are tentatively arranged for 8 a.m. until noon, Monday through Friday. The schedule may be altered somewhat, depending on the number of students who enroll, Vickers said. Interested persons may enroll in advance at the superintendent's office, or at 8 a.m. Monday.

The school official pointed out that Venice high school students whose academic schedules have conflicted with driver training courses during the regular school year are eligible to participate in the summer program. No fee is charged students taking the course, but Venice school district enrolling youths enrolled must attain their 16th birthday before the instruction program concludes.

Cost of the program to adult residents, tentatively has been set at \$30. The fee is subject to revision. Vickers related. George Weimers, Venice school driver training instructor, will conduct the program.

Park District Offers Free Golf Lessons

Free golf lessons for residents of the Granite City park district began this week in Wilson Park, in the general area of Fehling road and State street. Basic instruction will be given at the same location through next week, when golfing students will then continue classes at Arlington Golf Course.

Classes are open to boys and girls in junior and senior high school and adults. All sessions are held from 1 to 3 p.m., with boys and men students attending classes on Monday and Wednesday and women and girls on Tuesday and Thursday afternoons.

Park Supt. Harold Brown said today the park district may issue ten permits daily to the Granite City Army Depot golf course and 15 permits daily for the Arlington course. Permits may be obtained at the Wilson Park office.

New Red Cross Board Members Assume Duties

New board members of the American Red Cross Tri-City chapter attended their initial monthly board session Tuesday afternoon at the Trust and Savings Bank board room. Chairman Melvin Gillie, W. T. Grant Co. manager, received a gavel from the retiring chairman, Bernard Pinney, St. Elizabeth Hospital personnel director. The gavel will be presented in turn to each new chapter chairman.

Directors attending included George Eubanks, Granite City Army Depot public information officer, a former chapter chairman; Edwin Reiske, Tri-City Labor Temple president, a former director; Joe W. Smith, Southwestern Bell Telephone Co. manager; Mrs. Louise Jimerson, a Madison high school teacher; and August Sacadat and Harold T. Fisk, Granite

City Steel Co. employees.

Other new board members are Forrest L. Cockrell, YMCA associate executive director; William Clinton, Madison postmaster; and Mrs. Betty Williams, a Blair grade school teacher. Ralph Fraga of the Nestle Co. is leaving the board due to being transferred away from this area.

Financial reports and service to military families reports for April and May were submitted by Mrs. Ruby Overbeck, executive secretary. There were 243 office contacts in April and 190 in May.

Acting on recommendations of its budget and finance committee members, the board approved a yearly budget for presentation to the United Fund.

Private Ice Skating Party being Planned

Local ice skating enthusiasts are being advised by Buck Kemmer of plans for a private ice skating party with the rental of the Winterland Ice Rink at St. Charles, Mo., for Thursday night, June 27.

The hours will be from 10:30 p.m. to 12:30, and the party will be for adults only, with the number limited to 75. Kemmer said he is making the arrangements with Mrs. Elsie Nicolai of St. Louis, former Missouri and Southwest Open speed skating champion. Reservations are to be made in advance by June 17. Kemmer can be called at 876-4443.

Mrs. Rongey Hospitalized

Mrs. Amye Beck, 68, Dies; Ill 7 Months

Mrs. Amye Beck, 68, of 817 East Chain of Rocks road, died about 7 a.m. Wednesday at Barnes Hospital, St. Louis, where she had been a patient since May 28. Mrs. Beck had been in ill health since November.

She was born in Bourbon, Mo., and lived here 42 years. She was a member of the Mitchell Presbyterian Church. Her husband, Ray, died in April 1968, and survivors include a son, Zane Miller of Granite City; three brothers, Roy and Edward Alexander of Bourbon, and Woodrow Alexander of Lynwood, Calif.; and three sisters, Mrs. Milo (Jane) Taylor of Burbank, Calif., Mrs. John (Bobette) Shepherd of Lynwood, Calif., and Mrs. Hugh (Addie) Crumpler of Rolla, Mo.

Funeral arrangements are given in today's obituary column.

Venice Summer School Program Starts Monday

The Venice school district summer program will start at 9 a.m. Monday, with classes at the Venice grade school building on Broadway and in Lee Park. It was announced today by Robert N. Vickers, assistant superintendent of schools.

Classes in remedial reading and mathematics will be conducted for first through eighth grade pupils at the school from 9 a.m. until noon, Mondays through Fridays, Vickers advised.

Students in the seventh through 12th grades also may participate in an home economics course to be taught at the Venice high school each week from 9 a.m. to noon. Sewing methods and related instruction will be emphasized in the latter class, the official said.

Sessions at Lee Park, to be held from 9 a.m. to noon and from 1 to 3 p.m. each weekday, will include arts and crafts, physical fitness and general recreation. All school children residing in the Venice district are invited to attend, Vickers said.

Instructors include Mrs. Hazel Smith and Miss Johnny Morris, home economics; Mrs. Marleann Hays, remedial reading; Theodore Savage, remedial mathematics; Mrs. Linda Knipping, arts and crafts; and Head Coach Bill Ohlendorf, Mrs. Annette Ohlendorf, girls' physical education teacher, and Stan Lynch, physical fitness and recreation.

Jones Succeeds Lee in School Personnel Post

Raymond Tom Jones, 3116
Ash Avenue, was named administrative assistant for personnel of the Granite City school district at a regular board of education meeting Monday night. The effective date is July 1.

He succeeds Earl Lee, 3715
Nameki road, who retired this
spring.

When Lee's retirement plans
became known a year ago,
Jones, then principal of Cool-
idge junior high school, was
named assistant to the personnel
administrator to become
familiar with the duties.

In recommending Jones for
Lee's post Monday night, Supt.
Bob L. Davis said, "This has
proven to be a wise choice. Mr.
Jones has dedicated himself to
learning the many facets of
the personnel department."

The position of personnel as-
sistant is being retained in the
organizational chart but there
are no present plans to fill it.

Reid Industrial Coordinator
Also promoted was James E.
Reid, 3341 Johnson road, indus-
trial arts consultant, who was
named industrial coordinator
(assistant adult education ad-
ministrator). He is the aide to
M. A. Wittervrongel, adminis-
trative assistant for vocational
and adult education.

With the new title, Reid will
be recognized by Illinois Trade
and Industrial Education of-
ficials for 60% reimbursement
of salary.

He will work 10 months an-
nually instead of nine and a
half months and will assume
additional evening duties.

Add Kindergarten Group
The board also decided to
create a fourth kindergarten
section at Maryville grade
school, where the previous en-
rollment of 84 divided into three
groups is expected to top 100.

A present half-day teacher will
be employed on a full-time
basis.

In other business, School At-
torney Maurice Dailey was au-
thorized to seek tax-exempt
status for school sites and
property acquired within the
last year.

It was voted to apply for re-
imbursement of \$28,265 in Title
II (library) funds spent for
acquisition, processing and ad-
ministration in 1967-68.

Approval was given for the
Granite City park district to
hold "Music Under the Stars"
rehearsals in the high school
vocal music room this summer
on Monday afternoons and
evenings and Thursday morn-
ings and evenings. The Madison
County School Lunch Associa-
tion will hold a dinner at the
GCHS cafeteria in September.

Confer With Legislators
Plans were made for all
board members and five ad-
ministrators to attend a confer-
ence with state legislators Sat-
urday at the Sunset Hill Hol-
iday Inn.

It was noted that a workshop
is being held the same day
at Springfield on board-
administrator relations, legal
status of school board mem-
bers, efficient board operation
and board members' part in
collective bargaining.

Frohardt PTA purchase of a
typewriter and spirit duplicator
and Emerson PTA acquisition
of a manual typewriter were
accepted for use at those
schools.

Athletic Director Joseph Fe-
dora met with the board to
review the 1968 meeting of
the American Association for
Health, Physical Education and
Recreation. He said there is
increasing use of steel prefab-
ricated buildings and a strong
trend in the eastern U. S. to-
ward varsity athletic league for
girls in virtually all sports ex-
cept football and wrestling.

Many schools permit girls to
seek positions on varsity boys'
volleyball and tennis teams.

Fedora noted. He said close at-
tention is being given to the
development of artificial field
surfaces but that they are not
yet economically feasible for
school districts.

Former Trojan Player
Promoted in Marines
Samuel L. Jones Jr., 22, son
of Mrs. Jewell Hampton, 1038
Douglas street, Madison, re-
cently was promoted to cor-
poral in the U. S. Marine Corps.
He returned from combat duty
in Vietnam last November and
presently is stationed at Camp
Neck, N. J.

A former outstanding football
player at Madison high school,
where he performed with the
offensive and defensive squads,
Cpl. Jones enlisted in the Ma-
rine Corps three years ago. He
also attended Dunbar school in
Madison.

Vandals Break 4 Trees
Cindy Moore, 2830 Edwards
street, reported at 10 p.m.
Tuesday that vandals broke the
tops off four silver leaf poplar
trees located near the sidewalk
in front of her home. They
were about four feet tall.

which were taken were found at the west side entrance. The thieves fled west on 20th street. A 1962 auto stolen from O. E. Phillips, 2409 O'Hare avenue, was recovered by state police two miles south of Roxana, it was reported at 12:30 a.m. today. When informed of the recovery, Phillips was not aware of the theft.

House Looted

A toaster, an electric can opener, a table radio, a package of pork chops, three steaks, two packages of hamburger, a package of bacon and five packs of cigarettes were stolen in a burglary at the home of James Sikes, 2021 Fourteenth street, after 1:30 p.m. Monday, he reported at 12:45 p.m. Tuesday. Entry was gained through an unlocked door. Estimated value of the loot was \$51.

A camera and a purse stolen in a burglary at the home of Norman Dorsch, 2532 Delmar avenue, were found in the back yard as he returned home from work at 3:20 p.m. Tuesday. Missing was \$2.50 from the purse. Entry was gained after 12:30 a.m. by cutting a screen on a bedroom window while Mrs. Dorsch and two daughters were asleep.

Richard Kerch, 2910 State street, reported at 10 p.m. Monday that a burglar entered his home a few minutes after arriving moving a window screen. Nothing was missing.

A large amount of plumbing fixtures was stolen from a storage truck parked at the home of John DeFord, 3 Village apartments, he reported Monday. Items include a ton of lead, 100 pounds of solder, faucets, valves and pipes. The truck was opened by cutting the lock off the door.

Ten golf clubs in a bag and a rotisserie valued at \$50 were stolen from the storage space of Mrs. Orville Dellour, 2100 Ponton road, Apt. 3, she reported at 8:55 p.m. Tuesday. A lock had been cut and the door to the storage area was forced open.

Jewelry Stolen

A Masonic diamond ring valued at \$450, three sets of the clasps and cuff links valued at \$45, three women's watches valued at \$300, a man's watch valued at \$100 and other jewelry were stolen in a burglary at the home of James E. Fox,

More Traffic Direction After Park Dances Sought

A proposal to ask assignment of one or more city police officers to teenage dance programs at Wilson Park was approved by Granite City Park board members last night at a meeting to alleviate traffic jams after the dances. Traffic direction is badly needed after the dances, it was pointed out.

At the same time, Park Superintendent Harold Brown told board members he has not had extensive response to a plan to hire younger persons, preferably school teachers, as park police during the summer months. Mostly routine business occupied board members in last night's meeting session. The board approved an expenditure up to \$500 for purchase of a multi-type mower to be pulled behind a tractor, and authorized Brown to employ eight boys under Neighborhood Youth

Corps program to work in the parks during the summer. The board suggested that city officials be contacted concerning restoration of the parkways along 24th and 27th streets which were torn up for sewer installations but have not been restored. It was pointed out that it already is fairly late to plant grass seed.

Use of the Wilson Park ice rink by the Cystic Fibrosis Foundation for a benefit dance from 2 to 10 p.m. on Sunday, Aug. 24 was authorized. Use of four Southern Illinois University students on park recreation projects was discussed. The board also discussed appropriation figures to be incorporated in the 1968-70 budget which is now being prepared. Efforts are being made to prepare the budget for adoption in the board's June 25 meeting.

2647 State street, he reported at 10 p.m. Monday. The house was ransacked. Entry was gained by forcing a front window.

Cigarettes from a machine, an undetermined amount of money, hair tonic, two cases of soda and several straight razors were stolen in a burglary at the Midtown barber shop, 1310 Twenty-second street, it was reported at 1:30 p.m. Monday. Entry was gained through a back window.

Two cars were stolen from the lot at the Northwestern Auto Sales agency, 4010 Nameoki road, after burglars broke into the office and took a set of keys to all of the autos on the lot, it was reported at 8:25 a.m. Wednesday.

Desk and cabinet drawers were ransacked and \$20 was missing from petty cash. Missing were a brown 1965 two-door auto and a green 1967 two-door auto. Entry was gained by forcing the rear office window.

Charles Walton, 515 Slough road, Venice, reported to Venice police at 2 p.m. yesterday that two car radiators were stolen from autos parked at his home. He said the radiators were removed from 1955 and 1952 autos.

Mrs. Tina Neunreiter, 2408 Anchorage homes, reported at 5:15 p.m. Tuesday that thieves stole 50 feet of plastic garden

hose which was attached to a faucet at the rear of her home since last Friday.

Burglars entered the Lazenby photo studio, 2830 Nameoki road, but nothing was disturbed. It was reported at 1:55 p.m. Wednesday. Front and rear doors were found open.

Paul Gain, 2665 East 28th street, reported at 7 a.m. Tuesday that the two front wheels and tires and the spare wheel and tire were removed from his 1966 foreign compact auto while it was parked in front of his home during the night. The value was set at \$150.

4 Accident Victims

Given Treatment Here

Four East St. Louisans, hurt in a one-car accident at Edwardsville, were given emergency treatment at St. Elizabeth Hospital here before being transferred to hospitals in East St. Louis and Centerville township.

It was learned their auto went into a deep ditch along State Route 157 at the Edwardsville junior high school. Given emergency treatment here for multiple injuries were Tyrone White, 18, Jennie Crawford, 19, Lenora Jordan, 17, and Otha Williams, 20.

MORE ABOUT Schools

Granite City high school will be expanded through inclusion of Coolidge junior high school, with which it shares the Madison avenue-Nameoki road-Folding road campus. GCJHS will add the ninth grade and all junior highs will serve only the seventh and eighth grades at the simultaneous point when Coolidge is converted and the new Maryville-203 junior high is opened.

Gym-Dining-Auditorium Link Seventh and eighth grade craft shops at Maryville-203 will be located in rooms to be converted later to regular classrooms. At the time a high school is established, a vocational building will be added to that campus.

The gymnasium, cafeteria and auditorium will be arranged so that movable walls can be opened between two or all units, enabling up to 500 persons to be accommodated at school programs or other public events.

In addition to these approvals, the board acted favorably on detailed working drawings prepared by the Gabriel-Sylvester-Dulgeroff firm for an addition to the southwestern end of Coolidge junior high. It will contain four classrooms, two restrooms and an office suite that could be changed into a classroom and bids will be sought for opening and award in July.

Special Education Tap

The board voted to seek state permission to add two cents to its building fund tax rate for construction of special education classrooms. The two new grade schools will contain a total of four such rooms, and six portable rooms or a six-room prefabricated steel building are to be obtained for use by September 1970.

State reimbursement also is sought for new special education facilities at \$1000 per professional worker in this field. Supt. Bob J. Davis said it is hoped to obtain \$30,000 to \$38,000 in such funds, with the tax providing another \$42,000. There are 47 special education rooms and work areas at present, and state laws and guidelines call for a major increase due to the number of

Robt. Hands, 83, 66-Year Resident Succumbs Today

Robert E. Hands, 83, of 2163 Delmar avenue, died at 5:30 a.m. today at St. Elizabeth Hospital where he had been a patient for two weeks. Ill with a diabetic condition he has been in a hospital or nursing home since March 12.

A native of Wayne County, Ill., he resided in Granite City for the past 66 years. He was employed as a chemist at the American Steel Foundries until his retirement.

Mr. Hands was a member of the Dewey Avenue United Methodist Church, and held high offices in the Knights of Pythias and Masons. Surviving are his wife, Mrs. Lulu Hands; one daughter, John (Thelma) Chapman of Alto Pass, Ill., a brother, Ross Hands of East Chicago, Ind., two grandsons, John Robert Chapman of Cahokia, Ill., and George Chapman of Alto Pass, Ill.; and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

To Appear in Court

Neil Stewart, 2127 Lincoln avenue, appeared in the court of Magistrate William Johnson Tuesday on charges of killing a dog owned by Mrs. Emma Arthur, 2431 East 24th street, and throwing it through the window of her home. He was released on \$3000 bond pending hearing on Monday.

William W. Owens, 494 Redwood lane, was ticketed on a charge of driving without valid registration (no state license plates) at 3:35 p.m. Wednesday at Nameoki road and St. Clair avenue.

pupils and efforts to broaden services.

The board ratified 1968-69 Quad-City special education district bylaws for the next year, agreed to continue as the administrative unit for the district, and decided to create and try to fill a third psychologist position.

MORE ABOUT GC Youth

gomyery, 1511 Clark avenue, was injured when he rode his bicycle out of a driveway at 1521 Johnson road and struck the right side of an auto driven by Robert Johnson, 1 Frontenac lane, at 7 p.m. Tuesday.

The boy was taken by ambulance to St. Elizabeth Hospital where he was admitted with abrasions and contusions to the left shoulder and elbow. X-rays were taken.

Boy Hit by Car

Earl Lee Bryson Jr., three, son of Mr. and Mrs. Earl Bryson, 1088 Kirkpatrick Homes was injured when he was struck by an auto driven by Mrs. Floyd E. Pritchett, 2713 Harding blvd., at 9:50 a.m. Wednesday at 1501 Kirkpatrick Homes.

The driver said she had passed a parked city work truck and heard someone yell when the boy ran in front of her before she could stop.

The boy, who suffered an abrasion to the back of his head, was admitted to St. Elizabeth Hospital after x-rays were taken.

Thelma King, 20, of 2341 August street, was injured when she passed an auto on the right, and her auto struck the rear of the parked car of Robert W. Jacobs, Alton, and then bounced into the right side of an auto driven by Albert H. Baker, 233 Edwards street, who was halted for a traffic signal at 20th street and Madison avenue at 9 p.m. Wednesday.

She was admitted to St. Elizabeth Hospital with injuries to the right ankle, left knee, skull and spine. X-rays were taken. She was charged with following too closely (improper overtaking).

Two Passengers Injured

Two passengers in autos driven by Janis Warren, 2601 Morrison road, and Charles L. Whitehead, 2177 Robert avenue, were injured in a collision at 9:25 p.m. Tuesday at Maryville road and Orville avenue as Whitehead made a left turn into the path of the Warren auto.

The 1966 Elizabeth Hospital were Charlotte Ryan, 18, of 4737 Warnock avenue, a passenger in the Warren auto, and Dennis Hall, 19, of 2219 Maryville road, who was in the Whitehead car.

The Ryan girl, who struck

her head on the windshield, received x-rays of the skull, spine and right knee and had contusions to the knee and right side of her face. Hall complained of pains in the right ribs and contusions and received a spinal x-ray. Both were released after treatment.

Motorcyclist Injured

Robert M. Newman, 20, of 440 Briarwood lane, was injured when a motorcycle he was driving struck the right side of an auto driven by Karen D. Plafcan, 625 Fleming place, who made a left turn in front of him at 10:55 p.m. Monday at Nameoki and Ponton roads.

Madison Studies Obtaining 8 Lots For Playgrounds

The city of Madison may obtain about eight lots for playground purposes as a memorial to the late Associate Circuit Judge Austin Lewis, according to a proposal discussed at a city council meeting Tuesday night.

Mayor Stephen Maeras reported that the lots are owned by Mrs. Kathleen Lewis, former wife of Judge Lewis, who said she had received an offer for the lots but preferred that the city take over the property.

The lots are located on Sixth street at Alton and Highland avenues and Rhodes street.

The city is to obtain appraisals of the property, and the mayor, playground and recreation committee and city legal department were authorized to negotiate with Mrs. Lewis.

The mayor said the police department is to enforce the city's anti-fireworks law and asked the aldermen to check on taverns in their wards which may be patronized by teenagers.

Industrial Park Sign

The council approved a contract to the L. Wolf Construction Co. to erect a sign at the Maeras Industrial Park on a bid of \$485.

The firm, which is erecting industrial buildings at the park, offered to do the work at cost. The sign will contain the names of industries located there.

Two additional no-left-turn signs are to be placed on McCambridge avenue at Second street and at Edwardsville road, controlling northbound traffic, as complaints have been received of numerous violations.

Police are to patrol the two locations, especially during rush hours. Second Ward Alderman Richard Kiser, who said he surveyed the Second street intersection, suggested stricter enforcement.

May Sue City of GC

The council discussed taking legal action against the city of Granite City over sewer surtax charges assessed four or five householders in the area of 1400 Washington avenue.

Mayor Maeras called the charges unfair and noted that a Granite City ordinance adopted in September authorized the residents to connect onto the sewer line. The matter was referred to the legal department.

Also referred to the legal department was a condemnation

yet set a date for beginning collections. His staff still is preparing tax bills in the old First National Bank building at Fourth street and Madison avenue in Madison.

Chouteau Township Collector Charles Lexow has been collecting taxes since May 23 and has announced June 21 will be the last date on which local taxes may be paid.

The four Quad-City tax collectors are charged with collecting a record amount of taxes this year. The total tax bills of all four townships amounts to \$14,786,542 in local real estate and personal property taxes. Railroad tax bills for the four townships amount to another \$38,175 which brings the total Quad-City area tax bill to \$15,124,717.

Paid to County

Railroad bills are not collected by the town collectors, however. Rail taxes are paid directly to the county treasurer's office at Edwardsville.

Nameoki township taxpayers this year will be charged with payment of \$1,578,581 in local taxes, compared to a bill of \$1,348,867 last year.

Largest increase in taxes is in Granite City where this year's total local tax charge is \$9,170,870, a rise of \$1,632,813 over last year's billing of \$7,538,257.

Chouteau's tax bill this year amounts to \$1,177,368 in local taxes, compared to \$1,031,208 billed for collection last year, while the Venice township bill this year is \$2,658,726, up from last year's \$2,727,328.

report seeking to demolish a building at 1003 Greenwood street.

It was reported that Charles J. Bridick, probationary patrolman, has completed a basic police training course at Southern Illinois University and is ranked in the upper half of his class.

In a discussion on finances, Mayor Maeras reported that annual city taxes have increased by only \$54,000 over the past 10 years.

This year, the city will derive \$248,000 from taxes, only half the amount used to operate the city and provide municipal services, with the rest of the funds coming from investments and other sources, he added.

The council approved an annual agreement with the state to maintain Madison and McCambridge avenues, which are designated as state routes, for \$502.

Cottonwood Tree Pollution Referred To GC Street Dept.

Air pollution complaints ranging from the fumes from cottonwood trees to a magnetic dust on a freshly-washed auto were aired Monday night by Granite City's Air Pollution Control board.

The cottonwood tree pollution complaint was received in an anonymous letter signed Buxton, a resident. The writer complained of allergy to the output from the tree to an entire family and perhaps several families, saying the tree might force the family to move.

Location of the tree was given as being on city property in the 2800 block of Marshall avenue. Commissioner Sidney Womack commented that the board's jurisdiction over such a complaint.

A decision was made to refer the letter to Street Supt. Warfield, since he has jurisdiction over trees.

Initial analysis was made of a heavy dust found on his auto Memorial Day by Eugene Burnett, 2243 Lee avenue. It was found to be magnetic in nature, but further analysis was withheld with an expenditure up to \$200 to pinpoint the source. Burnett offered the use of his back yard for a monitoring device, pointing out his neighbors also were up in arms.

David Brooman, acting technical secretary, said the wind on that day, gauged at Lambert field, was from the southeast, indicating slag piles as a possible source for wind-carried dust. He was asked to get slag samples to compare them with the envelope of dust Burnett had removed from his auto.

Appearing at the meeting was James Giese, who called for abatement of gases and particulate matter from the Blast Furnace department of Granite City Steel Co. He said his pickup truck, parked at the plant where he is employed, is pitted, and other autos, especially the tops of the cars, have paint damage.

He was advised by the board that the plant has informed the state Air Pollution Control Board that it is in compliance with present state regulations governing blast furnace plants. Another report is to be sought to determine if there still is compliance.

Giese was told the local board hopes to be able, through its new budget, to buy additional monitoring equipment to better gauge the pollution in the vicinity of the plant. He also was advised the city had spent \$10,000 for laboratory reports to prove its case of paint discoloration to homes, and that as a result, the plant now is burning waste gas.

Reporting on the board's application for a grant of federal funds, Henry Bieniecki, chairman, said he was becoming pessimistic, but he believed that with the aid of Lt. Gov. Paul Simon, there is still a possibility. Bieniecki said he and board vice-chairman Theo-

LeGrand to Graduate Cum Laude at U of I

James E. LeGrand, son of Mr. and Mrs. Elvise LeGrand, 1616 Wilson avenue, will be participating in the June commencement exercises Saturday in Champaign at the University of Illinois. He will be graduating Cum Laude with a Bachelor of Science degree in chemistry from the College of Liberal Arts and Sciences.

A June 1965 graduate of Granite City high school, he will be beginning four years of study in medicine in September at the University of Illinois Medical Center in Chicago.

LeGrand was elected this past spring into the membership of Phi Kappa Phi, an all-university senior honorary fraternity for outstanding scholastic achievement. He is also a member of Phi Lambda Upsilon, chemistry honorary fraternity; Phi Mu Alpha Sinfonia, music honorary fraternity; and Phi Epsilon Sigma, all-university freshman scholastic honorary fraternity.

He served the past spring as vice-president of his social fraternity, Phi Kappa Alpha. A James Scholar at the University for four years, he was a member of the Concert Band and the Marching Illini, and participated in the Honors Day program for four years.

Record Enrollment in Park District Program

A record enrollment of youngsters in the first week of the Granite City park district summer recreation program was announced today by Mrs. Helen Bjorkman, general supervisor, who reminded parents that children may participate at any time during the eight-week program.

Recreation centers are conducted at 11 locations in Granite City from 9 a.m. to noon and from 1 to 3 p.m., Mondays through Fridays. Boys and girls who are entering the second to the sixth grades this fall are eligible to participate.

Arts and crafts, free movies, games, picnics, recreational swims, storytelling and special outings are arranged each week. Mrs. Bjorkman said. Weekly prizes are awarded at each of the playgrounds centers.

Twenty-eight adults are serving as recreational leaders and aides this summer, the project director said. Centers are located at Logan, Marshall, Parkview, McKinley, Niedringhaus, Nameoki, Webster, Wilson and

Washington schools, and at the park district community center, 822 Niedringhaus avenue and the Salvation Army center on 19th street.

Senate Committee Oks Lake Park Bill

The House bill to establish Horseshoe Lake as a state park passed the Senate committee on Tuesday during a hearing attended by H. D. Karandjoff, local banker and chairman of the Horseshoe Lake State Park Commission.

The bill was presented by Senator Merrill Ottwein, aided by Sen. Alan Dixon and Rep. James D. Holloway of Sparta, formerly of Granite City, and was approved for presentation to the Senate without a dissenting vote.

A companion bill for a \$2,000,000 appropriation also will go to a Senate committee this week. Both bills passed the House unanimously last week.

SOCIETY

MISS GLORIA BURICH. Her engagement to Miguel E. Garcia is announced by her parents, Mr. and Mrs. Anton Burich.

Garcia-Burich Engagement

Mr. and Mrs. Anton Burich, 1424 Grand avenue, are announcing the engagement and forthcoming marriage of their daughter, Miss Gloria Burich, to Miguel E. Garcia, 12 son of Mr. and Mrs. Mike Garcia, 857 Alton avenue, Madison.

Miss Burich was graduated in 1965 from Granite City high school. Her fiancé attended Madison schools and was graduated from the high school there in 1963.

The couple is planning an October wedding.

Sorority to Aid Cancer Society

Members of Alpha Xi Chapter, Epsilon Sigma Alpha Sorority, gathered Tuesday evening in the home of Mrs. Betty Colligan, Edwardsville, with Mrs. Gerrie Mendez, retiring president, presiding over the final business meeting of the year. Members voted to make a contribution to the Cancer Society for the chapter's philanthropic project for this month.

Mrs. Colligan was elected to receive the chapter's "Outstanding Girl of the Year" award. Her name will be submitted at the annual state convention to be held in October in Chicago. This award is for the member giving the best of her abilities and herself to the sorority.

A personal gift was presented to Mrs. Joyce Albers, who will attend the International Convention of Epsilon Sigma Alpha in Los Angeles, July 17-20.

The evening's educational program, "A Musical Review," was given by Misses Betty Butch and Carol Mooshegan. Recorded excerpts of various types of music were heard, followed by a "sing-a-long" of long-time favorites.

The next social will be June 24, when members will attend a St. Louis movie, followed by an after-theater supper. Regular business meetings will resume in September.

Refreshments were served by Mrs. Colligan to those mentioned and Mesdames Carole Poole, Sue Sanesarian, Cora Arber, Mary Modica, Kathy Dohal, Mary Firtos, and Miss Elaine Prince.

Officers Installed At Dinner

Forty-six members of the Women's Association of the Granite City Steel Co. attended an installation of officers and dinner in the main office cafeteria Tuesday evening.

The installation was conducted by Mrs. Helene Bischoff, and those taking office were Verna Langel, president; Mary Corday, vice-president; Edith Hawk, treasurer; Mary Siegel, recording secretary; and Bobbie Sykes, corresponding secretary. Edith Hawk is the retiring president.

The program committee consisted of Gay Rosch, chairman, Hilda Bowen, Dorothy Crews, and Olga McMurray. Entertainment was provided by Arthur Schoenbeck, who showed slides and gave a commentary on Indonesia.

The special prize for the evening was won by Mrs. Bowen.

Annual Dinner of St. Mary's PTA

St. Mary's Parent-Teacher Association held its annual banquet Monday evening at the Round Table restaurant, Collinsville, Fr. Sylvester Micek and Fr. Engelbert Benek were guests.

Officers for the past school term, Mrs. Rosalee Stern, Mrs. Adele Wasylak, Mrs. Beatrice Stentzer, Mrs. Kathy Dohal, Mrs. Helen Bisto and Mrs. Lucy Martes, were presented with gifts for their services and were praised for the accomplishments during their term.

It was announced that each boy and girl attending St. Mary's school will receive free circus rides Saturday between 1 and 5 p.m. from the PTA.

Library books are being purchased for boys and girls in the first and second grades by the PTA.

The remainder of the evening was spent at a social gathering, with games played.

Mrs. Fannie Malon is PTA president for the 1969-70 year. Others in attendance were Mesdames Betty Bulva, Helen Cholewick, Jerri Friend, Helen Franch, Geraldine Gulash, Margaret Kulaska, Lee Krpan, Joyce McKinney, Cecelia Pingel, Jerri Mendez, Olga Prengel, Frances Ratkewicz, Winnie Sasyk, Adele Wasylak, Janet Werner, Alda Yurko, Helen Mooshegan, Sophie Lolelewski and Florence Kierski.

Moose Women Plan Installation

Granite City Chapter 247, Women of the Moose, held Academy of Friendship Chapter Night Wednesday with Chairman Mildred Votoupal in charge. Five members who received Academy of Friendship from the state Women of the Moose were honored in the local chapter. They are Dorothy Pulley, Margaret Stover, Joyce Rodgers, Cecelia Cruse and Agnes Roderick.

Present were 32 members, and one new member was initiated. Plans were announced for the installation of officers Saturday evening, June 21 at 6 p.m. Dinner and dance will follow installation.

Venice Methodist Bible School Starts Monday

The annual summer church school will begin Monday evening at the First United Methodist Church of Venice, it was announced today by Mrs. Magdalena Smith, vacation school superintendent.

Sessions will be held each evening next week at the church from 7 to 9 o'clock for youngsters in the first through eighth grades. Ten adult leaders will assist in presenting the program this year, Mrs. Smith reported.

BETROTHED, Miss Vilma Esperanza Zevallos, whose engagement to Thomas Grant Miner is announced.

Return from DUV Convention

Several local women, members of the Daughters of Union Veterans of the Civil War, returned Monday from Chicago where they attended the 78th annual convention of the Department of Illinois DUW.

At the meeting, Mrs. Louise Thompson was elected to the office of Department president; Mrs. Irma Taylor was named secretary; Mrs. Grace Bourbon is the new Department guide, and Mrs. Coramie Bent was elected as a delegate-at-large to the national convention to be held in Buffalo, N. Y., later in the summer. All are members of Aunt Becky Young Tent 92.

Mrs. Augusta Munsterman of Tent 90 was elected patriotic instructor.

Miss Zevallos Is Engaged

Mr. and Mrs. Constantine Pittman Zevallos of San Isidro, Lima, Peru, are announcing the forthcoming marriage of their daughter, Miss Vilma Esperanza Zevallos, 44 Terrace lane, to Thomas Grant Miner, a son of Mr. and Mrs. Theodore C. Miner, 46 Terrace lane.

The wedding will take place Sept. 14 at First Presbyterian Church in Granite City.

WCSA Annual Birthday Party

The annual birthday party of the Women's Society of Christian Service of Niedringhaus United Methodist Church was held Tuesday evening in Wesley Hall of the church. Fifty-seven were present.

Twelve tables, where the birthday members were seated, were decorated for each month of the year.

Mrs. Marvin Van Metre, vice-president, conducted a short business session and announced a reception to be given for the new minister, Rev. Jesse Roberts, and his family on Sunday, June 20.

The program consisted of slides of a trip through Europe shown by the Rev. Billy Hahs of Collinsville. Among the more interesting sights was the old home of John Wesley in England.

The new officers elected at the meeting were Mrs. Maurice Hemphill, president; Mrs. Marvin Van Metre, vice-president; Mrs. George Vogeler, secretary; and Mrs. Fred Pieper, treasurer. Chairmen of the various departments were also named. They were Mrs. Bruce Groshong, Christian social relations; Mrs. Wesley Helms, missionary education; Mrs. Darrell Piper, spiritual growth; Mrs. Harold Briggs, local church responsibility; and Mrs. Kenneth Tanksley, membership.

MRS. HENDRICKS IS GUEST OF HONOR

Mrs. Teddy Hendricks Jr. was guest of honor this week at a cradle shower given by Mrs. Donna Petras, Mrs. Marie Brook, and Mrs. Pauline Dierkes at the Venice Lee Park Recreation Center.

Those attending were Mesdames Eileen Bradley, Doris Hendricks, Linda Gibbs, Vi Hughes and daughters, Mary, Joyce and Liz, Helen Krakowicki, Judi Petras, Nadine Meehan, Cecilia Holman, Charlene Roberts, Theresa Petras, Jan Wheatley and daughters, Kelly and Kerry, Virginia Kittle, Madonna Groshong, Mary Allen, and Mrs. Hendricks, Ruth Ann Bartels, Arlene Henry, Ann Mooshegan.

Lois Townser, Charlene Shattler, Pauline Holman, Jess Burns, Lisa Bauer, and Misses Lucy, Ruth and Cindy Bradley, Debra Mehan, Kathy Brook, and Betty Lou Bauer, all of this area, and out-of-town guests, Mrs. June Moon, Mrs. Shirley Jamison, Mrs. Lil Kreidenheiser, Mrs. Evelyn Stankew, Mrs. Betty Mathis and daughter, Debbie, and Miss Roxann Moon.

Games were played and prizes were awarded. The hostesses served a buffet luncheon, together with a cake decorated with booties and pink and blue. Miniature baby carriages served as favors.

Mrs. Hendricks is the former Thelma Bradley. Her husband, Ted Hendricks, is serving with the Third Marine Division in Quang Tri, Vietnam.

QUARTERLY MEETING OF PRESBYTERIAN WOMEN

A quarterly meeting of the Namecki United Presbyterian Women's Association was held Monday night at the church. The president, Mrs. Jenn Lyngard, called the meeting to order and Mrs. Fern Mitchell gave a devotional reading from the mission book and offered prayer for Christian workers.

The program chairman, Mrs. Joan Kaseberg, introduced the evening's program, "The Power of Women," and the members who spoke on this subject.

Mrs. John Schrader told of the nearly-new clothing center located in the Coordinated Youth Services building and said it has been of great assistance to many area families.

The Tiny Tim nursery school was the topic of Mrs. Frank Allers. Classes are held at Christian Church, sponsored by the Madison County Easter Seal Society.

Mrs. Sah spoke on TRACE, the local chapter of the National Association for Gifted Children, and of special classes offered for these children.

A tutoring project which has been carried on at Washington grade school for the past school year was discussed by Mrs. Gail Cross.

Mrs. Louise Anderson, bylaws committee chairman, presented proposed new bylaws to the membership, which voted to adopt them.

The fellowship chairman, Mrs. Fern Mitchell, installed two new members, Mrs. Joyce Toussaint and Miss Rita Overath.

Mrs. Lu Pyle, nominating chairman, read names of those her committee was presenting for 1970 officers.

Elected by acclamation were Mrs. Bea Pyle, president; Mrs. Joan Kaseberg, vice-president; and Mrs. Irma Taylor, secretary.

The officer of treasurer will be filled later.

Mrs. Bea Pyle spoke to the group concerning a worldwide summer medical offering. She told of needs that have been met in the past. Offering envelopes were distributed and are to be returned at the circle meeting this month.

Mrs. Louise Thompson, world service chairman, gave a report on a Betty Crocker coupon national project for Presbyterian women, who have previously purchased in this way on a plan for use at mission locations.

She also reported on the receiving blankets to be made as the mission sewing project this year.

Circle meetings were announced for June 24, Evening circle, and June 26, Afternoon circle. Both will be held at the church.

Hostesses for the evening were Mesdames Bonnie Britton, Edith Simpson and Mary Stegle. Refreshments were served to 19 members and the following guests, Mesdames Frank Ehler, Schroeder, Charles Sowell and Virginia Pyle and Miss Barbara Pyle. A fellowship period ended the evening.

YOUTH FELLOWSHIP TO HOLD FUN PROJECT

The Central Youth Fellowship, the senior high group of Central Christian Church, met Sunday evening at the church. Bill Hahn, vice-president, called the meeting to order, followed by reports from the secretary, Leila Brokaw, and the treasurer, Shirley Brokaw.

Projects announced for the coming weeks included a paper drive to be held on June 21, with pickups arranged by calling the church, 876-8332, and leaving the name and address. A truck will also be parked on the church parking lot that day to receive bundles of paper.

A date set for a carwash is June 28 at the Mobil station, 20th street and Madison avenue.

A full day of activities is planned for a "fun project" June 29 at the Fun and Sun beach. Committee members in charge are Leila Brokaw, Herb Cain and Duane Parrish.

A \$40 donation to the church was approved. President Jerry Hulse will make the presentation to Pastor James Craddock, during services this Sunday.

The worship was given by Bill Hahn and Diane Turner and the study by Alma Casey. Refreshments furnished by Duane Parrish were served to those mentioned and Howard Bolton and the CYF sponsor, Tim Ash. The next meeting will be Sunday at the church.

BRIDAL SHOWER HONORS MISS LOUISE BECHERER
Miss Louise Becherer, who is to be a late summer bride, was honored with a miscellaneous shower Sunday afternoon by her sisters, Mrs. Ray Siebert and Mrs. Sam and Guel Guenther, St. Louis, and her sisters-in-law, Mrs. Harold Becherer and Mrs. Robert Becherer, in whose home, 2111 Clark avenue, the event took place.

Games were played, with prizes awarded to Mrs. Dennis

Malone of Harvey, Ill., Mrs. Emil Becherer of Troy, Mrs. Norman Parrill, Mrs. Bro Bjorkman, Mrs. Cecil Burgess and Misses Cathy Siebert and Henrietta Toth.

The bride-to-be opened her gifts from a table decorated in traditional white bridal theme, with a large bride doll centering the table. The table was covered with a white linen lunch-cloth.

Assisting Miss Becherer in the gift opening were her nieces, Diane and Mary Kay Becherer, who formed a "keepsake bouquet" from the ribbons.

Guests were seated at specially decorated tables holding floral arrangements of white summer flowers, and lime green tapers. White cloths covered the tables and miniature bride and groom figurines were arranged as favors.

The hostesses served a luncheon to Mesdames Bernice Becherer, mother of the bride-to-be, Lee McCann of Kankakee, mother of the prospective groom, Oscar Legert, Bernard McCann of Ferguson, Mo., John Hordesky and Marie Davidson and Misses Helen Becherer of Summerville, Ill., Patti Siebert and Jo Ann Becherer of Troy.

Miss Becherer will be married Aug. 9 to Gerald McCann of Kankakee at St. Elizabeth Catholic Church. They will reside in Peoria, where both have accepted teaching positions for the fall term.

PAKISTANI TOPIC OF WOMEN'S SOCIETY
The president, Mrs. Vivian Guika, opened a meeting of the Women's Society of Christian Service at Namecki Methodist Church with prayer Monday evening.

The lesson on "Pakistan" was presented by Mrs. Ruth Hancock, assisted by Mesdames Faye Bess, Dorothy Wallace and Mary Jo Hein, all dressed in native costumes.

Mrs. Guika announced the annual School of Missions Aug. 4-8 at McKendree College, Lebanon.

New officers of the WSCS will be installed at the 10:30 a.m. services on Sunday, June 22.

Circle meetings have been discontinued for June and July. They will resume in August.

The next WSCS meeting will be June 14, with Mrs. Mary Jo Hein will be the leader. Mrs. Ruth Hancock closed the meeting with prayer.

Refreshments were served by Mrs. Virgie Daniels and Mrs. Lucille Webb. Others present were Mesdames Betty Milnes, Mildred Nancey, Bernice Sawyer, Gladys Russell, Lucille Russell, Lucille Webb, LuAnn Briner, Mary Jane Foster, Dorothy Luckert and a guest, Mrs. Smith.

MONDAY EVENING CLUB HOLDS HOUSEWARMING
A regular meeting of the Monday Evening Bible club was called to order Monday by the hostess for the evening, Mrs. Mary Ballentine. The meeting was held in her home, 308 Washington avenue. Each hostess serves as presiding officer.

Mrs. Ballentine was honored with a housewarming and received a gift for her new home from each member.

A regular business meeting took place, with a discussion held on a fund-raising project to finance club activities and charitable projects. A decision is to be made at a future meeting.

Games were played and prizes were won by all. Leaving were Kathy Brockman, Miss Mary Ann Ballentine, the hostess' daughter, and Mesdames Effie Cleveland, Lorraine Gipson, Brenda Brown, Donna Naselroad, Hazel Cockill and Darlene Smith and two guests, Mrs. Anita Quillin and Mrs. Beverly Cucke.

A large sheet cake inscribed "God Bless Our Home" was presented to the hostess, who served it and other refreshments to the group. Miss Kathy Brockman will serve as hostess for the next meeting in Mrs. Brockman's home June 22.

TROOP PURSUE CAVERNS
Junior Girl Scout Troop 313 of Parkview school journeyed by bus Monday morning to Stanton, Mo., where it toured the Meramec Caverns. The girls learned of the history of the cave, where James and his gang, which used the caverns for a hideout. They also were told of how parts of the cave were formed over thousands of years.

A sack picnic luncheon was enjoyed at a nearby park before the trip home.

Assisting the leaders, Mrs. Mary Jo Mothershead and Mrs. Pauline Bell, were Mrs. Peggy Barget, Mrs. Janet Kunick, Mrs. Marly Ellen Lewis and Mrs. Betty Snider.

Scouts attending the final outing of the troop year were Allison Bell, Glenda Mothers-

Arrest Rate Climbs

181 Major Crimes in GC In May, Increase of 28

A total of 181 major crimes were reported in Granite City during May, an increase of 28 over the same month a year ago, with 38 cleared by arrest, or 13 more than a year ago. The auto accident rate showed a decline.

The number and types of crimes, showing comparisons with May of last year, include: Robbery, two, down two, with two cleared by arrest; assault, five, up one, with three cleared by arrest, up two; burglary, 43, up eight, with five cleared by arrest, up one; larceny, 101, down one, with nine cleared, down three; and auto theft, 30, up 22, with four cleared, up three. Fifteen other cases were cleared, an increase of 11.

A total of 131 traffic accidents occurred in the city during the month, a decrease of

22 Motorists Ticketed by Madison Police

Twenty-two motorists were issued arrest tickets by Madison police yesterday afternoon in a drive against violators of a traffic ordinance that prohibits left turns from McCambridge drive into Second street. The left turn regulation was established as part of new traffic controls designed to reduce the ratio of accidents on McCambridge avenue following a traffic count and survey by the state highway department last year.

The motorists arrested yesterday were ticketed within little more than an hour. They posted drivers licenses or \$25 cash bonds pending magistrate hearings set next Wednesday.

Those arrested were Edward Newsome, Centerville; Walter Landers, Edwardsville; John Jackson, East St. Louis; James Wood, St. Louis; James Salles, 73 Garcesche Homes; Richard Sergeron, Edwardsville.

Elvis Prothro, Brooklyn; Morvel Grant, East St. Louis; Eddie B. Holt, House Springs, Mo.; Eugene Fourt, East St. Louis; Richard Holt, Murphysboro, Ill.; William Scott, East St. Louis; Shelby Jones, 3884 Washington avenue, Madison; Gale Newgent, O'Fallon, Ill.

Robert Green, Highland; Charles E. Patterson, Collinsville; Robert D. Eddings, East St. Louis; Howard Hucker, East St. Louis; Esther H. Freider, 2908 Washington avenue; Kenneth King, Caseyville; Charles C. Smith, 611 Mercedia street, Venice, and W. C. Brown, 424 Weaver street, Venice.

River Road Site Not Open to Pedestrians

The hundreds of youngsters crossing the Great River Road right-of-way to swim in a borrow pit behind the A. O. Smith plant will no longer be permitted to walk, ride or drive on the highway paving site due to safety factors, James Steele of the Sangamo Construction Co. informed the Press-Record yesterday.

There is extensive construction activity along the entire right-of-way, which is not open to the public, he stressed. Pedestrians and vehicles not only interfere with the road work and mar graded areas but create serious hazards, he said.

Sgt. Dimry Assigned As Marine Recruiter

Sgt. Charles Dimry has been assigned to the Marine Corps recruiting station in the post office building in East St. Louis.

Before reporting for his new duties, he was stationed with the Third Marine Division in Vietnam where he served as the motor transport chief of Headquarters Battalion, Sub-unit No. 2.

He has been in the Marine Corps for nine years. He resides with his family in Cahokia, and can be contacted by phoning 876-1121.

Campers were urged by the council to be at the bus stops at least 10 minutes early to expedite transportation.

In Time of Emergency Usual Fire Precautions Vital in Nuclear Attack

Fire, the great help and hazard to mankind, would prove so again during and after a nuclear attack. While nuclear attack might start many more fires and make it less likely that regular firemen would be available to fight home fires, the same techniques of fire prevention and firefighting would be as useful during a nuclear emergency as at any other time.

Usual fire prevention rules would be of special importance in a nuclear emergency. They include familiar common sense precautions such as not allowing trash to accumulate, especially near heat sources; exercising extreme caution in the use of flammable fluids such as gasoline and naphtha; avoiding storage of such fluids outside when possible; care in the use of electricity; repairing of faulty wiring and avoiding of overloaded circuits; and repair of faulty heating systems.

Special Fire Precautions

These special fire precautions should also be taken in a time of nuclear emergency by those using air conditioning home shelters:

1. Keep the intense heat rays of nuclear explosions from entering your house by closing doors, windows, venetian blinds. If windows are being blinded with venetian blinds close the inside or outside of the windows with aluminum foil, or coat the glass with whitewash, household cleaning paint, or even mud.
2. Unless local authorities advise otherwise, fill buckets, bathtubs and other containers with water for use in emergency fighting.
3. If you have taken refuge in a home fallout shelter, after there unless you hear an explosion that breaks windows. If you do, check to make sure nothing in your home is burning, and by having an escape near your home that might endanger you.
4. If a fire does occur, fight it promptly. A home might be saved by knowing how to fight fires, and by having common sense firefighting tools. These should include a garden hose (preferably already equipped), a ladder, buckets filled with sand, containers filled with water, and a fire extinguisher. Keep in mind that vaporizing-liquid types of fire extinguishers can produce poisonous fumes when used in enclosed spaces.

Three Ways to Put Out Fire

There are three basic ways to put out a fire:

1. Take away its fuel.
2. Cool it with water or fire-extinguisher chemicals.
3. Smothering the fire with a rug or blanket, preferably wet.

Special types of fires require special methods:

- If it is an electrical fire, be sure to shut off the electricity first. Then put out the flames with water or anything else available. If it is impossible to shut off the electricity, don't use water on an electrical fire due to danger of electrocution.
- If it is an oil or grease fire, shut off the supply of whatever is burning. Then smother the flames with sand, earth, rug, or other heavy material. Don't use water.
- If it is a gas fire, shut off the gas supply. Then use water, sand or earth to put out whatever is burning.

TRAFFIC

area increased 167% or one-fifth more than the national growth rate.

By 1975, the report said, "this metropolitan area can expect to have 10 million people, a greater than 1960, inbound air mail 19 times greater, inbound freight 19 times greater, and greater and inbound express six times greater."

Must Capitalize on Growth

Reid Ross, RIDC executive vice-president, said that "as our region is already receiving a 35% greater share of the national growth rate in overall freight movements, we must be prepared to capitalize on this growth. RIDC has proposed that the best way to accomplish this is through development of an intermodal terminal complex."

"An intermodal terminal complex is a fully integrated transportation center which includes air, rail, road, barge and pipeline terminal facilities so that freight may be moved from the Venice Park district to another with minimum cost and delay and at maximum efficiency."

"We have suggested to both Gov. Ogilvie and Mayor Cervantes that the next airport should be so located that it can serve as the center of such a transportation complex."

Park Budget at Venice Up \$2326

A new budget of \$72,726 for the 1969-70 fiscal year, an increase of \$2326 over last year's appropriation, was adopted by the Venice Park district in regular meeting last night.

All of the increase is in the general fund portion of the budget which was \$64,496, compared to a general fund appropriation of \$43,170 last year.

The new budget also sets up \$21,500 for the recreational fund, unchanged from last year. Other items include \$3900 for the Municipal retirement fund, \$600 for the annual audit and \$1630 liability insurance.

The new budget is effective for the fiscal year May 1 to April 30.

Saving Bond Drive Under Way at Depot

The 1969 Savings Bond Campaign is under way at the Granite City Army Depot, and the theme for this year's person-to-person campaign is "Share in America '69'."

Mrs. Pauline Weir, depot director, said the objective of this year's campaign is to encourage all personnel to purchase Savings Bonds and to encourage all citizens to purchase Savings Bonds through the Payroll Savings Plan and to renew interest on the part of the individual citizen helping his country. "The voluntary participation of all non-participants in this program is solicited to help purchase the weapons and supplies needed by our fighting men in Vietnam, as well as providing a systematic way of saving for our own personal security," she stressed.

All Depot personnel were afforded the opportunity of viewing two films, "The Star Spangled Salesman" and the "Story Line" film, "Share in America '69'." During each film, a representative from each Directorate gave a short talk on why they purchased U.S. Savings Bonds through the Payroll Savings Plan.

Miss Linda Whistler, reigning depot queen, and members of her court, distributed to each person a personal letter from Col. Neil Dickson, Depot Commander. The Bond Drive will end next week.

Henry Bax, 75, Dies; 55-Year Resident

Henry Charles Bax, 75, of 1642 Third street, Madison, a resident of 55 years, died at 8:30 p.m. Wednesday at St. Elizabeth Hospital. He had been ill for 10 days and hospitalized for the same length of time. He was born in Collinsville.

He was a member of St. Peter United Church of Christ of Granite City; the Venice-Madison American Legion Post 207; Modern Woodmen of America, the Low Twelve Club, World War I Barracks 34, Tri-City Ship Club, Alton Tennis Club, and the St. Louis and East St. Louis, Scottish Rite Bodies of East St. Louis and the Ancient Free and Accepted Masons of Illinois.

Mr. Bax was employed at the American Car and Foundry, as a foreman, for 30 years and retired 18 years ago.

He is survived by four sisters, Mrs. Louise MacClatchey Kuhn of Granite City; Mrs. Nora McCord of Venice; Mrs. Clara Crowder of Madison and Mrs. Mildred Humphreys of Granite City. Two nephews and one niece.

Funeral arrangements are given by today's obituary column.

Sharp Offense, Defense By Legion in 5-2 Win

American Legion Post 113 cut down Wednesday's Alton Post 126 by 5-2 Wednesday evening in Wilson Park after hitting the dust at Edwardsville 18-2 on Monday.

Its season record is 3-2. Post 113 will visit Belleville at 2 p.m. Saturday and Dupu Monday.

Jim Becker pitched the win against Alton, his first complete game of the year. He struck out five while allowing seven singles and six walks, aided by spectacular fielding by Outfielders Howard Bolton and Jerry Monahan.

Mike McGovern collected three of the GC team's seven safeties and Gary Simpson coaxed two walks, singled and hit a triple, the only extra-base hit of the game.

Take 3-0 Lead

GC took the lead in the third inning when Becker walked, Bolton's triple and made it 3-0 in the fourth as Becker walked, Roger Luns beat out a bunt, McGovern singled and Bolton hit a sacrifice fly.

Alton sandwiched runs in the fifth and sixth around a last-of-the-five-two-run attack consisting of a walk and steal by Simpson, single by Don Harris, walk by Becker, and a sacrifice fly and an RBI hit by McGovern.

The visitors, who had scored clinically on a winning error, wild pitch and outfield fly and later on two hits and an error, threatened in the seventh by Becker being caught by Bolton and Monahan.

Less than two weeks ago in a pre-season game, GC defeated Edwardsville 4-2. But Monday, in league play, Post 113 lacked its full complement of starters. Several misuses by players not in their regular positions set up big innings.

8 RBIs by Hamilton

GC totaled only three hits, while Edwardsville's Dan Hamilton alone collected eight RBIs, including two homers, while batting 2-4.

Edwardsville got 14 hits off Jeff Boyles and Don "Harvey" Haddix. Jerry Schwaner was winning pitcher with relief from Gallagher in the fifth.

Belleville beat Fairmont City 8-1 Monday.

Diving Club Plans July 4th Event

Neil Winters, president, presided Tuesday night over a meeting of the Bubblemasters Club, held at the Elks club. Plans for the next dive July 4 at Table Rock Lake were discussed.

Jack Atkinson, previous winner of the traveling trophy, presented it to Ed Duffin, Duffin caught an all-pumped, 10-pound carp over the Memorial Day weekend at Bull Shoals Lake.

Dr. Chris Grotto, a member showed his movies of the same island. The group will meet July 8 at a location to be announced.

Famous Baseball Bats of Past On Display Next Week

The famed Louisville Slugger old-time baseball bats will be shown at the Granite City Trust & Savings Bank in the weekly "Bats of the Past" exhibit.

The exhibit is by the Hiltch-Bradley Co., Louisville, Ky., E. A. Karandjeff, bank president, announced today.

One group consists of bats used in making outstanding records of the major leagues.

The second and largest group, featuring bats of the most famous hitters of the past—Wagner, Cobb, Sisler, Hornsby, Keeler, Ruth, Lajoie, Collins, Duffy, Anson, Speaker, Baker, Cleghorn and Gehrig.

The third group, miscellaneous in nature, is highlighted by the Browning, Groh, Washburn, Ball Knob, Gowdy and Hitchman bats and a "big bat."

The display traces the evolution in bat styling, from the long-handled shapely club of Browning and Anson to the Cobb model, which has more shape, and Hornsby's model, which is more modern in style transition to the modern stilted with its longer barrel and small handle.

Fast Pitch Games Here

GC Steel Credit Union's fast pitch softball team will host Monday's St. Louis in Wilson Park at 7:30 p.m. Saturday at Wilson Park.

Farewell Party Honors Pvt Jerry Colp

Pvt. Jerry Colp, son of Mr. and Mrs. William Colp of 4101 Kirkpatrick Homes, left Wednesday for Fort Dix, N. J., en route to Germany where he will be stationed for 18 months.

Pvt. Colp arrived home 19 days ago for a leave following his basic training at Fort Leonard Wood, Mo. His parents were hosts to a farewell party on Tuesday evening, which was attended by 24 guests, members of the family and friends.

Illinois Senate Committee Ok's Bi-State Bill

An Illinois Senate committee by a close vote recommended approval yesterday of a bill to provide \$425,000 in assistance to the Bi-State Transit System's operations in Illinois. The vote was 7-6 with one senator voting present.

The funds, which Bi-State plans to use as seed money to help secure a federal grant of \$2 million from the Federal Urban Mass Transportation Act of 1964, is needed to aid in a projected \$5 million improvement program.

Some Republicans on the appropriations division of the Senate Finance Committee contended that the \$425,000 represented special treatment for Bi-State that could lead to similar requests from other mass transit operations in other parts of Illinois.

The committee approved, 10-4-0, a bill appropriating \$250,000 to Bi-State to help defray the cost of transporting public school children from Madison and St. Clair counties. Both measures, which now go to the full Senate, have been approved by the House.

Van Metre Re-Elected Council President

Marvin Van Metre, executive director of the Tri-Cities YMCA, was re-elected president of the Quad-Cities Social Concerns Council at the annual election meeting yesterday.

Twenty-one council members, representing 13 area agencies, were present at the meeting held in the Fellowship Hall of the First United Presbyterian Church, Don Hornberger, Illinois Youth Commission, presided during the election, with a nominating committee report presented by Jerry L. Slaten, Quad-City Mental Health Clinic.

Named to serve with Van Metre in 1969-70, were Dr. Francis D. Koch, vice-president, Tri-Cities Medical Association; Mrs. Lorraine Parkinson, secretary, Catholic Charities; and Robert T. McCormick, treasurer, AFL-CIO Community Services director.

John Flamer, assistant to SIU-SW Chancellor John Rendleman, was the guest speaker, narrating the numerous social problems existing or erupting in the "River View" area, which he described as "ranging from Alton to East St. Louis."

Commenting that the Nation's eyes are centered on such areas as space exploration, the speaker noted, "It is time that the Nation refocuses its attention on Planet Earth."

"Many problems arise solely because people are not programmed to meet stresses of today's situations, Flamer said. Our specific problems in the 'River View' area involve air pollution, transportation, housing, crime and poverty. 'Separation, integration and segregation are the primary factors,' he stressed.

"Key to the problem is more involvement or commitment to youth by all concerned people in this area, Flamer said. The Social Council will discuss regular sessions during the summer months, resuming in September, Van Metre announced.

Man Stabbed in Fight, Youth, 18, Arrested

Gary Greenman, 26, of Granite City (no local address listed), was stabbed in the stomach with a broken bottle in a fight at Kirkpatrick Homes at 12:20 a.m. Tuesday and was taken by ambulance to St. Elizabeth Hospital where he was admitted. He was reported in fair condition.

Receiving a disturbance call to the scene, police arrested John F. Holmes, 18, of 2100 Missouri avenue.

Two hours later, police returned to the same address at the housing project where they picked up Ronald L. Davis, 17, of 2144 State street, who was taken to the hospital with an incident which occurred last month.

Both were charged with aggravated battery. Holmes was released on \$200 bond and Davis, whose bond was set at \$10,000 bond by Magistrate William Johnson pending a preliminary hearing, was sent to the county jail.

Assault, Trespass Charges Filed

Warrants charging aggravated assault and criminal trespass were served on William Telford, 57, of 2153 Adams street, when he appeared at the police station at 4 p.m. Tuesday.

The assault complaint was filed by Robert L. Carroll, who alleged that Telford pointed a shotgun at him while he was at work at Granite City Steel Co. on May 31, and the trespass complaint was signed by Mike Skubish, plant guard. Telford pleaded not guilty before Magistrate Johnson pending a preliminary hearing for a jury trial and was released on \$2000 bond.

Parked Car Struck, Three Charges Filed

Three charges were filed against David R. Tackett, 101 West 20th street, after his auto struck the left rear of a car owned by Archie C. Buckingham, 2111 Illinois avenue, parked in front of his home at 4 p.m. Wednesday.

Tackett said a truck pulled away from the curb in front of him and he tried to stop but his brakes failed. He was charged with driving with inadequate brakes, failure to transfer his auto registration and improper use of registration (fictitious license plates).

Carburetor Backfires

Firemen were called to the home of Kenneth Edwards, 2105 Elm avenue, when the carburetor backfired on his 1962 auto. There was no damage.

Texas Firm Bids Low For Revetment Work

Col. Edwin R. Decker, District Engineer, U. S. Army Engineer District, St. Louis, announced today that bids have been opened in the District office for the repair of pile dikes, stone dikes and bank revetment, Mississippi River Miles 98.6 to 105.9 above the mouth of the Ohio River in Perry, Ste. Genevieve, Jefferson and St. Louis counties, Missouri, and in Randolph, Monroe, St. Clair and Madison counties of Illinois.

The apparent low bid of three bids received was submitted by Missouri River Constructors of Dallas, Texas, and Gibbar Brothers of Perryville, Missouri at a joint venture. Their bid was \$496,200.

The work includes adding stone to existing revetment, replacing pile dikes with stone and filling stone fill dikes with additional stone. Approximately 200,000 tons of dike (quarry-run) stone and 15,000 tons of bank paving stone will be required.

Work is expected to be completed within 350 calendar days after the contractors receive written notice to proceed.

Bend Road News

MRS. GEORGIA BORGER
877-2765

Mr. and Mrs. Glen Lowe, 1232 Edwardsville road, held a backyard barbecue on Sunday.

Their guests were Mrs. Billie Thompson and children, Carolyn, Donna, Eddie, Stanley and Paula, of Doniphan, Mo., Charlie Thompson, Mrs. Kathryn Lowe and Mrs. Betty Jackson and children, Janet and Johnny, of Madison and Mrs. Sandy Lowe and daughters, Shelly and Laura.

Mrs. Sandy Lowe and children have returned from Chicago and are staying with Mr. and Mrs. Glen Lowe. Her husband, Ronnie Lowe, arrived Monday for a day visit and returned to Chicago on Wednesday.

The Venice Tops club held a regular meeting Monday evening at the Venice library.

Members present were Mesdames Jeanette Woodmore, Debra Draper, Agnes Bell, Virginia Cochran, Becky Bruce, Emma Yanko, Brenda Ervin, Elsa Bauer, Carol Williams and Eileen Robinson.

A ladies' pistol shoot was held Sunday at the Horseshoe Lake Rod and Gun Club.

Those taking part were Darline King, Dorothy Lever, Kathy Striet, Jerry LaPorte, Eileen Robinson and Delores Vierung.

A shooters' banquet will be held at the club June 21, and winners of the pistol shoot will be announced at that time.

Mr. and Mrs. Tiny Williams and daughter, Kathy, motored to Parker Lake near Perryville, Mo., during the weekend. Miss Elizabeth Adams accompanied them on the trip.

Charles Crow of Layton road, who has been released from St. Elizabeth Hospital, is convalescing at home.

Pvt. Garry Whitehorn has been transferred to Fort Lewis, Wash., from Fort Leonard Wood, Mo., and will take special training.

VILLAGE APARTMENTS "growing" adjacent to a wheatfield south of Pontoon road and east of St. Elizabeth Catholic Church. Park-recreation area

and a golf course also are in the process of being developed at the site.

WEEKEND CAMPING BY CADETTE, JR. SCOUTS

Eighty Cadette and Junior Girl Scouts, leaders and mothers of Neighborhood Two returned Sunday afternoon from a weekend of camping at Camp Chan-Ya-Ta near Prairieville, Ill., with troops from Emerson, McKinley, Prather, St. Joseph and Washington schools participating in the special summer event.

The scouts enjoyed tent camping, nature hikes through pine trees along Red Bud and Nut Grove Trails, where they viewed the remains of old homesteads and held a sing-along around a campfire.

During one of the hikes, the girls found a patch of wild strawberries which they used for various dessert dishes.

Junior Troop 289, led by Mrs. Doris Stotz, who is also chairman of the neighborhood scout leaders, and Mrs. Verna Cochran conducted a flag-raising ceremony. Junior Troop 734, led by Mrs. Margarette Barton and Mrs. Venka Ambush, retired the colors.

On Sunday, the scouts took part in a special program opened by a flag ceremony by Troop 45 under the leadership of Mrs. Anna Rainwater and Mrs. Mollie Woodard. A "scouts' own" was held by Junior Troop 104, led by Mrs. Pat Rigney, and lowering of the flag was conducted by Junior Troop 11 led by Mrs. Jean Edwards and Mrs. Klein Schmidt.

The troops sang "Taps" in unison to conclude the campout.

Each troop camped individually, with the members in charge of their own cooking, handcraft and requirements of the troop camp badge. Also represented was Mrs. Norma Walton's Cadette Troop 234.

Mr. and Mrs. Eldon (Paula) DePew, 2202 East 25th street, are announcing the birth of their first son, Eldon Cory, June 8 at 3:30 p.m.

June 28, when he will leave for his new assignment in Virginia.

Mr. and Mrs. Don Crider and their daughter, Shardon, were dinner guests on Sunday at the home of Mr. and Mrs. Jerry Borger.

Mr. and Mrs. William Thompson and their daughter, Debbie, 11, of 3215 Madison avenue, Madison, were all released from the Northwest Christian Hospital, St. Louis county, on Sunday.

They were seriously injured in an auto crash May 25 near Lambert airport. They will be convalescing at home while receiving further treatment for their injuries.

Eldon Cook, 118 Rose avenue, Bend road, motored to Patterson, Ill., on Monday to visit friends.

To Extend Water Line The Mitchell Public Water District plans to extend its water lines to the Foreman subdivision, a one-block area between Brennan street and Maryville road, and has called bids for the construction work for July 8 at 3:30 p.m. The project will involve 26 new water connections, engineers said.

Pvt. Whitehorn is married to the former Eileen "Tootie" Koehler, a niece of Mr. and Mrs. Joe Robinson of Bend road.

Mrs. Whitehorn formerly made her home with Mr. and Mrs. Robinson.

Mr. and Mrs. John Ragsdale Jr. of Layton road returned home Sunday after spending a two-week vacation at the Mingo wildlife conservation area at Duck Creek, Mo., where they camped out.

While away, they also visited his parents, Mr. and Mrs. John Ragsdale sr., and his sister and brother-in-law, Mr. and Mrs. Cliff Parrish of Bend road and Mr. and Mrs. Lyle Hill, members of the Horseshoe Lake Rod and Gun Club.

They had as visitors from this area at the camping ground their son and daughter-in-law, Mr. and Mrs. Paul Ragsdale of Granite City, Mr. and Mrs. Cliff Parrish of Bend road and Mr. and Mrs. Lyle Hill, members of the Horseshoe Lake Rod and Gun Club.

Mr. and Mrs. Charles D. Thompson of Patterson, Ill., returned home Monday evening after a two-day visit in Granite City.

While here, they were guests at the home of their son and daughter-in-law, Staff Sgt. and Mrs. Kenneth Thomson and children, David and Leean, 2418 East 25th street.

Leean had been visiting for one week in Patterson with her grandparents.

Mr. and Mrs. Charles Thompson also visited their other children in this area, Mrs. Robert

Jr., Heide and Shawn Shutter and Mr. and Mrs. Joseph Robinson.

Blue Norton of Duck Creek, Mo., is visiting Virgil Layton of the Horseshoe Lake Rod and Gun club. Norton formerly resided at the club.

Paul Ragsdale and Charles Carney, both of Granite City, are home from a three-day trip to Black River near Parris Landing, Tenn.

Mr. and Mrs. Jay Peeler and son, Ricky, of Layton road held a barbecue on Sunday. Their guest was Mrs. Doris Ford of Missouri.

Mr. and Mrs. Charles D. Thompson of Patterson, Ill., returned home Monday evening after a two-day visit in Granite City.

While here, they were guests at the home of their son and daughter-in-law, Staff Sgt. and Mrs. Kenneth Thomson and children, David and Leean, 2418 East 25th street.

Leean had been visiting for one week in Patterson with her grandparents.

Mr. and Mrs. Charles Thompson also visited their other children in this area, Mrs. Robert

(Leean) Campbell, 2534 Lincoln avenue, Mrs. Pete (Betty) Billick, 611 Fillmore street, Venice, and Mrs. Jerry (Georgia) Borger of Bend road.

Mr. and Mrs. Charles D. Thompson of Patterson, Ill., returned home Monday evening after a two-day visit in Granite City.

While here, they were guests at the home of their son and daughter-in-law, Staff Sgt. and Mrs. Kenneth Thomson and children, David and Leean, 2418 East 25th street.

Leean had been visiting for one week in Patterson with her grandparents.

30 EXTRA CAMPERS who otherwise could not have afforded to attend Camp Sunnen, Potosi, Mo., this summer will be sent there, thanks to a one-day "salute to the Boy Scouts" in which all proceeds of McDonald's restaurant went to the Uniwah (Quad-City) scout district. Pictured, left to right, are Dave Embury, owner of the restaurant, Granite City Mayor Donald Partney, clown Ronald McDonald and Glen W. Thornburg, district vice-chairman and chairman of the project committee. Not shown are Cahokia Mound Council Treasurer Albert Froemling, who accepted the check from Embury, and Charles "Skip" Milhauser, district commissioner and special consultant to the committee.

St. Elizabeth Hospital. Hebert, Leisa Tervasi, Angela Thomas, Janice Van Gilder, Susan Weitz and Vickie Williams and guests, Tammy Loveless and Kimberly Griffin.

MRS. YETTER HOSTESS FOR JUNE MEETING Mrs. Joan Yetter, 2420 Edison avenue, entertained members of the Once-A-Month card club in her home Tuesday evening for their June meeting.

During a social hour of games, prizes were awarded to Mrs. Cora Coppedge and Mrs. Elizabeth Nash for high scores and Sharon Shaffer won a consolation prize.

Mrs. Joyce Bugg, 2720 Dale avenue, has invited the group to her home for the July 8 gathering.

The hostess served a dessert luncheon of fresh strawberry shortcake to the prize winners and Mrs. Donna Kagy, Mrs. Marlene Johnson and Mrs. Helen Schwendeman.

BIBLE CLASS MEETING AT SITTER RESIDENCE The Candlelighters Bible class of Grace Baptist Church held its home of the president, Mrs. Kathleen Stitzer, 2723 Madison avenue. Mrs. Ruby Williams led opening prayer.

The president conducted a business session and it was decided to hold a picnic July 19 at the clubhouse of Mr. and Mrs. Jim Carney instead of a regular meeting. The members will invite their families to participate.

Mrs. William A. gave the month's devotional, an object lesson on "the obedience of faith," Patty Harrington, Corina Kuhn, Karol Lee, Anita McGee, Linda Pool, Pamela Sartin, Becky Schorffriede, Shelley Sie-

INTENT INTEREST in leaders during a tour of the Press-Record, conducted by A. J. Mueller Jr., general manager.

Cub Scouts Tour Press-Record Monday

Cub Scouts of Den 2, Pack 8, of the First Presbyterian Church visited the Press-Record Monday afternoon.

The Cubs were toured through all the newspaper's departments, included were the business office, the advertising department, and in the shop saw typesetting operations, the make-up men at work and the actual printing of Monday's paper.

The scouts of Den 2 were Bryan K. Warren, Jeffrey S. Warren, Robert Curtis, Tommy Shildman, Larry Pinkston, Peter Potter, James Potter, Wally DeShon and Ronald Pinkston.

The Den mothers who attended were Mrs. Barbara Painter, Mrs. Rose Pinkston and Mrs. Lois Warren.

Rights of Reservists in Training Outlined

Employers were reminded today that Reservists and National Guardsmen are entitled to time off from their jobs to perform active duty for training. The reminder came from William T. Lindholm, regional director of the Office of Veterans' Reemployment Rights, U.S. Department of Labor, in Chicago.

Upon their return from training, Reservists and National Guardsmen have a legal right to be restored to their positions with the same seniority, status, pay and vacation rights previously held.

A recent amendment to the law also bans any kind of employment discrimination because of participation in the program.

Lindholm pointed out that military training duty for Guardsmen and Reservists normally occurs during the summer months, and it can be expected that most of them will be absent from employment for two or three weeks' training during this period.

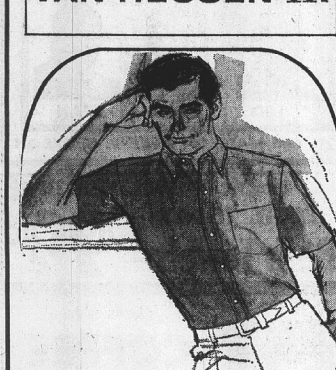

The Reservists and Guardsmen were cautioned by Lindholm to notify their employers before leaving for training and to report back to their jobs immediately upon completion of their tours, or they may forfeit their statutory employment protection.

State Cash Balance Dips to \$122 Million

During May, disbursements from the general and common school funds of the Illinois state treasury exceeded receipts by \$19,680,189, Michael J. Howlett, state auditor of public accounts, reported this week.

The balance at the close of business May 31 was \$122,809,272, as compared to \$142,569,471 at the end of April. Since the beginning of the 1967-June 1969 biennium, the balance has fallen \$76,849,475.

Despite the drop of almost \$20 million during May, Auditor Howlett said there will probably be a workable balance to start the new biennium.

"The fiscal condition of Illinois government remains precarious, but a crisis is unlikely by July 1 or even Aug. 1 if our austerity program can be continued," Howlett said.

"We must continue to be frugal in state expenditures, however, or we could find ourselves in crisis in late August or early September. Whatever additional revenue measures are voted by the legislature will not be reflected in additional income to the treasury until the fall."

Slows to Stop, Struck

Slowing for a stop sign, an auto driven by Linda S. Valencia, 2520 Victory drive, was struck in the left rear by a car driven by Jack A. Henderson, 1730 Market street, Madison who was attempting to pass her at 3:58 p.m. Monday at 2903 Buxton avenue. Henderson was charged with improper overtaking and intoxication. He later was released on \$25 bail and his license pending a hearing set June 20.

Assigned in Vietnam

May Meter Fees Drop-- But Fines Total \$1283

Parking meter fee and fine income during May totaled \$4283, a drop of \$430 below the total of \$4713 collected in April but \$416 more than the income for May a year ago, according to a report by Comptroller Robert Stevens.

May collections included \$3000 in fees and \$1283 in fines. This represented a drop of \$650 below April's fee income which amounted to \$3650, but was an increase of \$220 in fine collections. Fines collected in April totaled \$1063.

The May collections, however, was the second largest monthly meter income this year, surpassed only by the April collection of \$4713. Third highest was set in March when \$4392.

May collections increased to \$15,515 the total city income from parking meter operation during the first five months of the year, down \$1789 from the total of \$17,304 collected during the first five months of 1968.

Parking meters operated 26 days during May. On the basis of total collections, the city income amounted to a daily average income of \$184.

Yencho Receives Master Degree in Engineering

Edward A. Yencho, 2871 Waterman avenue, received a master's degree in engineering administration in commencement exercises Monday evening on the Brookings Quadrangle, Washington University, St. Louis. A total of 2000 degrees was conferred in the ceremonies at which the speaker was J. George Harrar, president of The Rockefeller Foundation. Following commencement, the Deans held an informal reception for graduates and their families.

Yencho completed his academic requirements from the Washington University Sever Institute of Technology in January. He is a graduate of the University of Illinois with a bachelor of science degree in mechanical engineering and is employed at the World Headquarters of Monsanto Co., Creve Coeur, Mo., in the central engineering department.

He arrived home from Fort Polk, La. He has been in the service since Dec. 26 after enlisting for two years.

Wounded Vietnam Vets To Attend Festival

Half of a \$1000 donation to the new Mississippi River Festival at Southern Illinois University-Southwestern campus, will be used to purchase tickets for wounded Vietnam veterans at Scott Air Force Base. The festival, according to a Festival spokesman.

C. E. Townsend, publisher and editor of the Granite City Press-Record, made the \$1000 contribution to the Festival Board to be used at its discretion, the spokesman said.

Charles B. Schweizer of the SIU-SW staff, chairman of the arrangement committee, stated this week that the board voted to make \$500 available to the military hospital for tickets to the six-week musical extravaganza.

The St. Louis Symphony Society, co-sponsors of the Mississippi River Festival, and Scott Air Force Base officials will determine selection and transportation procedures, according to Schweizer.

Booth Hospital Honors Trainee: Graduates 16

Wilbur R. L. Trimpe, Madison county superintendent of schools, recently was honored for his "interest, initiative and guidance" in establishing a continuing high school education program at the Salvation Army Booth Memorial Hospital in St. Louis.

The county school official was presented a citation by Salvation Army Major Ruby Mae DuBois, hospital administrator, during graduation ceremonies Sunday. The hospital provides medical care and related services for unwell mothers-to-be, regardless of race or religious affiliation.

Sixteen seniors who graduated with their high school class in their home school received diplomas from representatives of the individual school district, or from Supt. Trimpe. Eleven of the graduates are from Illinois.

Mrs. Fern Hornberger of Granite City serves as coordinator of the education program at the hospital. The state approved high school program was started at Booth Memorial by Supt. Trimpe in 1964.

Local participation, including recruitment of teachers, is handled through Harold V. Thomas, director of special education for Granite City schools. James Jeffries, Harry Cook and Mrs. Sonya Adkinson, all teachers at Granite City high school, are among the instructors at the hospital school.

Principal speaker at the graduation ceremony was Thomas Smith, assistant superintendent and business administrator of St. Louis county schools.

Dr. Nels Haven, superintendent of East Alton-Wood River high school, was a special guest and Rev. Lucius Cervantes gave the invocation.

Madison GI Wins Trainee Award

Army Pvt. Timothy Patrick Karius, 19, son of William Philip Karius, 1817 Third street, Madison, recently was named the "outstanding trainee" of Co. A, 8th Battalion, 2nd Basic Combat Training Brigade at the U. S. Army Training Center, Infantry at Ft. Bragg, N. C.

Pvt. Karius, who was presented with a special award by Col. William R. Condos, deputy commander of the training center, was selected on the basis of his overall performance during eight weeks of Army basic training.

He is a 1968 graduate of Madison high school and was employed at Laclede Steel Co., Madison, before entering the Army.

Achievement Award for Sp/4 David Wiesehan

Army Specialist Four David F. Wiesehan, 20, son of Mr. and Mrs. Edward J. Wiesehan, 1220 Robin street, Venice, has been awarded a Certificate of Achievement while serving with the U. S. Army Strategic Communications Command Long Line Detachment near Qui Nhon, Vietnam.

He earned the award for meritorious service as a switchboard repairs/technical control specialist in the detachment.

Sp/4 Wiesehan entered the Army in July 1967, completed basic training at Ft. Leonard Wood, Mo., and was stationed at Ft. Monmouth, N. J., prior to his arrival overseas in February 1968.

Wheat Allotments Being Determined

A new farm wheat allotment may be established for 1970 crop wheat for farms that did not have a 1969 allotment and meet eligibility requirements, Charles C. Losch of the Madison County ASC Committee announced this week.

A 1970 wheat allotment will automatically be established for all farms that had a wheat allotment established for 1969.

To be eligible for a new farm allotment, the operator must expect to receive 50% or more of his income from the production of agricultural commodities on the farm; neither the owner nor the operator may have an interest in any other farm which has a 1970 wheat allotment; and the person making application must have had at least two years experience in the last five years in producing wheat.

Application for a new farm allotment must be filed in the county office on or before June 20, 1969. Any interested producer who can meet these requirements should contact the county office before the final date for filing an application.

EOC Director Named To Festival Committee

Maurice S. Harris, executive director of the Madison County Economic Opportunity Commission, has been named a member of the Education committee for the Mississippi River Festival, which starts Friday, June 20, on the campus of Southern Illinois University-Southwestern.

Harris will be involved in developing new audiences for the Festival from among members of the less advantaged social and economic groups.

A joint project of the SIU-SW, the Festival will feature six weeks of concerts by the St. Louis Symphony Orchestra. In addition, a series of 12 special concerts by leading pop, jazz and folk artists is scheduled as part of the program.

"This program is geared to meet a wide range of entertainment tastes," Harris said, pointing out that the education committee will try to encourage new audiences from every social group "to take advantage of this unique cultural opportunity."

300 Pupils Win Presidential Youth Fitness Citations

Nearly 300 students from the Granite City school district will receive the Presidential Youth Fitness Citation awarded by President Nixon based on records made in the annual youth fitness testing program conducted this spring.

Boys and girls in grades five and six in all elementary schools, girls in grades seven through nine, and girls in the track and field classes at the opportunity to qualify for the award.

Testing was carried on as a culmination of the year's daily program, with reports sent home to parents at the close of the year.

Students Repeat

In addition to the status report, test scores are used by teachers to analyze the effectiveness of their teaching methods in the attainment of course objectives related to fitness.

Last year 331 students received both the parchment citation and the badge representing this achievement. Of these, 22 have won qualified for consecutive years, 48 for the third year and 72 for the second.

To qualify for the Presidential Citation, students must score in 85 percentile or better in each of seven test items and have the endorsement of both their physical education teacher and their school principal that they are good citizens.

Test events included the 50-yard dash, 600-yard walk-run, shuttle run, standing long jump, softball throw for distance, sit-ups and pull-ups (endurance hang for girls).

Miss Meyer Graduates At Wake Forest U.

Ann Marie Meyer, daughter of Mr. and Mrs. Paul F. Meyer of 200 Garfield avenue, was graduated from Wake Forest University, Winston-Salem, N. C., on Monday. She was among more than 650 who received degrees.

Miss Meyer received a degree in business administration. She was winner of the A. M. Pullen and Co. award, presented each year to the outstanding student in accounting studies. She was treasurer of Challenge '69, a symposium on the urban crisis, and was elected to Beta Gamma Sigma, national honorary business fraternity. She belonged to Laurels Society, women's social organization.

Guaranteed Classes Offered at 2 Centers

For the third year Southern Illinois University-Southwestern will offer guaranteed classes at its centers in Alton and East St. Louis.

This means that required freshman and sophomore courses will be available without danger of cancellation. The courses are guaranteed for the full year, permitting freshmen to carry full-time college work at either of the centers.

The coordinated plan is also designed to provide efficient progress for the sophomore student and for the student who can attend class only at night.

Students interested in the guaranteed schedule should contact Jim Holcomb, general studies adviser at the Alton center, or Don Cross, general studies adviser at the East St. Louis center. In East St. Louis information may also be secured by contacting Director Jefferson Ware.

Students must be officially admitted to the University before registration for classes will be permitted.

Late Starters Club To Meet on June 27

Southern Illinois University-Southwestern Chancellor John S. Rendleman will be the guest speaker at the Late Starters Club meeting June 27.

The luncheon meeting will be held in the Missouri room of the University Center. Persons wishing to attend should make reservations by sending \$2.50 to Dolores Dannenberg, 610 Yale, Edwardsville, before Sunday.

The club, comprising students who have had their education interrupted between high school and college, is now working on a survey to determine the possible need for a day-care service on the campus.

Persons who have not participated in the survey may receive a questionnaire at the meeting. The meeting is open to prospective club members.

CHIMEGO, COUGAR MASCOT at the Southern Illinois University-Southwestern campus, with his handler Larry Stuart, a member of the Cougar Guards formed for the care and training of the animal which doesn't mind a bit of petting here.

Awarded B.S. Degree

James Lee Randall of Granite City was among 1100 graduates who received degrees recently from Murray (Ky.) State University. He obtained a bachelor of science degree.

GO TO CHURCH ON SUNDAY

Cougar Guard Organized Madison, Venice To Handle Campus Cat Students Awarded 12 Scholarships

When Larry Stuart calls the cat, "doggie,"

The cat is a cougar and mascot for Southern Illinois University-Southwestern campus. Stuart, who has worked with the animal ever since she was acquired as official mascot, is chairman of the "Cougar Guard," a student group responsible for training, care and showing of the pet.

A sophomore majoring in public affairs and planning, he is a resident of East St. Louis. To him, the cougar is a real pet.

The three SIU-SW men who serve on the Cougar Guard with Stuart work with the animal weekly.

There's a place for girls in the "Cougar Guard" too. Known as "Cougarettes," the coeds are walking information centers on the mascot. In addition they accept the responsibility of keeping back the crowd which always rushes to see the animal.

"Don't forget too," commented Stuart, "that when the girls are answering questions about controlling the crowd, the Cougar handlers then only have to take care of the animal. It's really a help to us."

Stuart, who calls working with the cat "one of the most rewarding things I've ever done," explained that the men work in teams in showing the animal. At public appearances there are generally three on hand to assist with the animal.

"This Cougar is like a house cat. She was raised with children, and is really an intelligent animal. The challenge to me is to see that she is maintained as a pet and to get her to respond to voice commands."

"We really maintain tight security around the cat as a protection for the animal too. She is docile but weighs 135 pounds. By merely wagging her tail she could unintentionally knock a little child over. That's why we need crowd control," he commented.

When fully grown, the one-year-old animal will probably tip the scales at 140 pounds.

Her name, adopted after an election held by students, is "Chimego," an American Indian name for Cougar. Stuart pointed out that students in the Cougar Guard are selected on the basis of their interest in the cat and the cat's interest in them. "You can tell when the cougar isn't going to respond to a student . . . and

the student can decide whether or not he likes the cat," Stuart added.

"It's an easy test," stated Stuart. "If the cat wouldn't respond to commands, or would just stare and sit we could readily tell that that particular student and beast combination just don't work."

The cougar has been at SIU-SW since February of last year and knows five voice commands, "stop, come, no, sit and lie."

She's a playful animal and is about back to normal after being defanged and declawed last fall, a safety factor insisted upon by university administrators.

In addition to his work as head of the Cougar Guard, Stuart is a student supervisor in the University center, an orientation leader, member of the service fraternity, Alpha Phi Omega, and last year served as recreation chairman of the university center program board.

Evanoff Earns Ph.D. At U. of New Mexico

Alexander Evanoff will receive a Ph.D. in American civilization Friday at the University of New Mexico's 77th annual commencement exercise.

He is presently a professor of American literature and American studies at Indiana State University at Terre Haute. He has previously taught at a number of universities in the general field of literature.

Evanoff received his bachelor's and master's degrees from Washington University in St. Louis.

Included in his professional memberships are the Modern Language Association, American Studies Association, and the National Council for the Teaching of English.

His dissertation topic was "Studies in American Civilization."

Two Purdue Graduates

Norman Lee Jenkins, Granite City Army Depot, received a Ph.D. degree in education, and Jesse Ivan Mock Jr., 1740 Somerset avenue, received a bachelor's degree in electrical engineering Sunday in the 117th commencement at Purdue University, Lafayette, Ind.

Twelve teacher education scholarships for Madison and Venice high school graduates have been mailed by Wilbur Trimpe, Madison county superintendent of schools.

They are among 106 recipients in the county and entitles students to attend one of the state universities with tuition and fees paid for four years. Granite City high school recipients were announced previously.

There are about 200 more applicants from the county on the state scholarship pool who will be issued scholarships as unused or partially used scholarships are turned back.

MHS recipients are Sharon Banaszak, 1012 Alton avenue; Rose Marie Hackett, 1728 Market street; Shirley Jenson, 1028 Market street; Patricia McDaid, 1515 Fifth street; Glendine Meli, 1025 McCambridge avenue; Donna Mooshegan, 1811 Sixth street; and Cheryl Thomason, 1861 Fourth street.

VHS recipients are Susan Stern, 503 Washington avenue; Margie McGarrath, 1228 Oriole street; Sharon Maurer, 633 Washington avenue; Robert Foley, 447 Lincoln avenue; and Marguerite Ann Scaturro, 938 Third street.

Library Training to be Offered at Carbondale

Students are being accepted for a two-year program to train library and audiovisual technical assistants, starting in the fall quarter at the Southern Illinois University Vocational-Technical Institute.

The course, leading to the associate in arts degree, was approved by the Illinois Board of Higher Education. It is designed to help fill a current need for \$5,000 library technicians throughout the nation and a projected requirement of 145,000 in the next 10 years, according to Dean E. J. Simon of the SIU Division of Technical and Adult Education.

Early Teens Job-Finding Program Starts

A unique summer employment program for youth 15 and 16 years, whose age level generally is prohibitive to finding summer jobs, was announced this week by C. A. "Bud" MacMillan, executive director of Coordinated Youth Services.

The pilot program, open to all youth residing in the Quad-Cities, is a joint cooperative venture between the Coordinated Youth Services, a United Fund agency; the Illinois State Employment Service; Granite City Mayor Donald Partney; and Grace Baptist Church.

An application form, to be completed by a prospective employer and signed by his or her parent or guardian, is published elsewhere in this issue.

According to MacMillan, the women of Grace Baptist Church, under the direction of Mrs. Gloria Joyce, a church member, will operate the teenage employment-placement project by matching the youthful applicants with available

jobs. Efforts will be made to place the youth in jobs as near to their own neighborhoods as possible.

Mrs. Gladys Bass, a CYS staff worker who is helping to coordinate the program, said today that the employment service was devised for the first time this year after many youngsters, 16 years and under, approached the CYS for assistance in finding jobs.

"They are willing to work, yet cannot find jobs. Through the early-teens employment program, we hope to locate individual housekeepers or groups who will employ these young people, whether it is babysitting, cleaning garages and basements, housework, ironing, yard work, or business firms willing to hire them on a limited basis.

Rev. Paul Surbey of St. John United Church of Christ, president of the Quad-Cities Ministerial Association, has asked pastors of local churches to

describe the objectives and procedures of the program to members of their congregations at worship services this Sunday.

Churches Cooperate

Special forms will be distributed to church members each Sunday for one month, requesting those persons interested in employing a youth to complete the application and return the form the CYS office, MacMillan explained.

Youthful employees will be available to work between the hours of 8 a.m. and 8 p.m., with the program set to start Monday, June 23 and continue through Aug. 15. A specific hourly wage is not stipulated in the program, MacMillan advised.

Those over 16 years of age will be referred to the Illinois State Employment Services office, which has a summer employment program for older youth, he pointed out.

Junior Chapter of AYF Organized by Sr. Group

The reorganized Granite City Chapter of the Armenian Youth Federation is making strides in attaining members and is calling upon interested persons to visit the renovated club headquarters at 813 Niedringhaus avenue.

The AYF senior organization is for youth of Armenian descent from ages 16 to 25 and there also is a newly-formed junior organization for those 11 to 15 years, it was pointed out by Sharon Johnson, an AYF officer.

"Granite City did not have a junior organization until May 23 when 10 persons became members, and later five more joined," she noted.

The senior organization is known as "Antranig" while the younger group is called Granite City Antranig Jr. Chapter of the AYF.

Members of the junior group include Gary Asadorian, Nancy Asadorian, Lori and Joey Saccor, Steven Hagopian and Kenneth Vartan of Granite City; Christine Maksudian and Roseminette Sissakian of Belleville; and Lisa Bedian of St. Louis.

Temporary officers are Roseminette Sissakian, president; Christine Maksudian, secretary; and Kenneth Vartan, treasurer.

Temporary advisers from the Senior AYF are Pauli Parsaghi and Michael Hagopian. Volunteer advisers from the AYF alumnae are Andrew Hagopian and Jacob Vardanian.

An official induction of the junior chapter is to be scheduled for July.

Parents with children eligible for membership are urged to get in touch with Pauli Parsaghi at 877-4897 or Michael Hagopian at 452-2155.

DeMolays March in Ainad Circus Parade

Participation by the James Stuart Chapter, Order of DeMolays in the Ainad Shrine Circus parade last week in Belleville was announced this week by Charles Meyer, advisor.

The chapter's contingent included the 1969 DeMolay sweet heart and her attendants, Becky Thomson, Janet Stuart and JoAnn Grakianoff, who were riding in a convertible coupe, preceded by the American flag and the chapter flag.

Marching in a triangle formation following the convertible were the DeMolays in official officer robes.

They were — Randy Fowler, master, and Ron Bouillon, Paul Boyer, Keith Darnley, Steve Hileman, Bob Hoellenbeck, Ron Jones, Bill Kee, Tom Layman, David Ledbetter, Keith Lee, Tim Lux, Steve Meador, Billy Mibu, Paul Mies, Roger Miller, Tim Nood, Wayne Pritchett, Joseph Swiger, David Schilling and Dave Watkins, who were accompanied by advisors Robert Maxwell and Meyer.

Moral, Natural Values Explored by Douglas

The true value of the natural world and moral world to mankind was explored by former Sen. Paul H. Douglas in a commencement address Tuesday at Southern Illinois University-Southwestern.

In a speech entitled "The Within Without and the World Without," Douglas pointed out that if man could understand and appreciate the awe and mystery of the two worlds, "most of our own troubles, to cockiness or undue self-centeredness would be cured."

Eight hundred ninety-four SIU-SW graduates heard the veteran politician tell of the reverence and the willingness to act in accordance with judgments as to right or wrong, good or evil.

Using well-known figures in history such as Socrates, Martin Luther King and Abraham Lincoln, Douglas sought to prove how the moral law of conscience was as valuable "and as much a characteristic of man as are many of his physical attributes."

Following the address, Douglas was presented the honorary doctor of laws degree by SIU President Delyte W. Morris.

P.E. for Women Under Study by SIU Group

Revision of the curriculum in physical education for women at Southern Illinois University, Carbondale, is under study by a faculty committee, according to Dorothy Davies, department chairman.

"The curriculum committee is proposing a central core of studies but permitting students to specialize in a particular area such as aquatics, dance, individual sports and other fields," Miss Davies said.

Another committee is developing proficiency examinations which would permit students demonstrating adequate ability in physical education to waive freshman-sophomore requirements in this field, Miss Davies said.

Baccalaureate Service Sunday at Madison HS

A Baccalaureate service will be held for Madison high school graduates at 8 p.m. Sunday in the school auditorium.

The presiding minister will be Rev. C. M. O'Gwin, pastor of the Trinity Tabernacle.

The service will open with a procession by the class. Rev. O'Gwin will offer the invocation, and the congregation will sing "Let the Lower Lights Be Burning."

Rev. O'Gwin will give the scripture reading from the book of Timothy, and Rev. Lonnie C. Calmes, pastor of the Friendship Baptist Church, will offer the prayer.

A vocal ensemble, with Rosemary Timmons as soloist, will present "Lift Every Voice and Sing." Rev. Calmes will deliver the sermon, "Call to the Upper Road."

A vocal ensemble will sing "One God," and the service will close with benediction by Rev. O'Gwin and with the recessional.

Work-Study Grants to SIU-SW, McKendree

Cong. Melvin Price, Democrat, 24th Illinois District, announced this week that the U. S. Office of Education has approved three area education grants totaling \$59,368.

Southern Illinois University's Southwestern campus will receive an additional \$50,397 under the College Work-Study program for 140 more student awards. McKendree College will receive a supplemental grant of \$4620 for 15 additional student awards. Both institutions received previous grants for the July-December 1969 period.

The Shiloh village school district, O'Fallon, is receiving \$2091 under the Public Law 874 impacted areas program. The district is entitled to receive a total of \$12,260 during fiscal 1969.

Hoss & Lords to Play At Teen Town Dance

The YMCA Teen Town will feature "Hoss and the Lords" at its regular dance Monday night.

The group has played at the "Y" previously before large crowds. The dance will be held from 8:30 to 11:30 p.m. in the air-conditioned Teen Town facility.

The Aardvarks are scheduled for the following Monday, June 23.

\$1000 Granted to SIU

Dow chemical Co. with headquarters at Midland, Mich., has granted \$1000 to Southern Illinois University, Carbondale, to support nitrogen fertilizer research by George Kapusta, supervisor of SIU's Southwestern Farms Research Unit in St. Clair county. Prof. Joseph Vavra, SIU soil fertility specialist is cooperating in the study.

Golden Circle Picnic at Park

The Golden Circle Club of Kirkpatrick Homes held a picnic and outdoor meeting Tuesday in the skating rink at Wilson Park. About 55 members and guests attended.

Rev. Clair Clark of Trinity Methodist Church gave the invocation, and Mrs. Glen Christy, president, was in charge.

Representatives from the Madison County EOC office spoke to the group on Social Security, and the remainder of the time was spent at games with prizes going to Mrs. Jan Whitworth, Mrs. Eleanor Patterson and Mrs. Pearl Giffin.

Guests present were Harold Brown, Granite City park district superintendent, David Morgan, executive director of the Granite City Housing Authority, Rev. Clark, Mrs. Carl H. Craig of Godfrey, Mrs. Peggy Gibson and Mr. and Mrs. Jesse Sparks.

Garden Club Plans Picnic

Mrs. Kenneth Brokaw, 2456 Lynch avenue, was hostess to the Cloverview Garden Club Tuesday afternoon.

The program consisted of a comprehensive study by Mrs. Leo Roman of "Horticulture Calendar for Growing: June."

Mrs. John Lentz had an exhibit of ivy and three arrangements, and Mrs. Roman reported on the recent state meeting of garden clubs in Chicago.

An invitation was received to a brunch Friday at the home of Mrs. August Theis, an honorary member, on Old Alton road, and plans were made for a picnic at Wilson Park to take the place of the next regular meeting.

Mrs. Victor Liscak will serve as chairman of the latter event.

Mrs. B. C. O'Neill discussed the unveiling of an historical marker at the Belleville East high school recently.

Mrs. Brokaw served a dessert course before the program to those mentioned and to Mrs. Robert McCauley, president, Mrs. John Jenkins, Mrs. Ray Williamson, Mrs. Fred Orr and Mrs. William Bradley of the club and a guest, Mrs. Helen Matson.

MISS LORRAINE E. SZEDLAR, who is engaged to William R. Simpson.

Probe Under Way On Cause of Fire At SIU Building

Students whose examination papers and class records were destroyed in Sunday morning's fire at Southern Illinois University, Carbondale, will receive grades based upon class attendance and presumption of performance.

Chancellor Robert W. MacVicar issued the instructions Monday morning as workmen began the task of clearing the brick walls still standing—all that remained of the 83-year-old Old Main building.

Final exams ended Tuesday. Commencement was Wednesday.

Meanwhile, State Fire Marshal Joseph D. Patton arrived in Carbondale to investigate cause of the blaze. A deputy fire marshal, Jack Snyder of Virden, conducted an informal hearing at the city hall Sunday night to assemble evidence.

Snyder heard Carbondale fireman Charles McCaughan, first on the scene after the alarm was sounded, testify that three fires had started in the third floor of the building, in addition to the major blaze in the attic.

One fire in a broom closet had burned itself out, the fireman said. Another, in a third floor office room, had burned the contents of a waste basket and papers on a desk, but had burned out.

A third blaze was beneath the steps to the attic, he said. In his opinion, none of the three could have been caused by the fire in the attic.

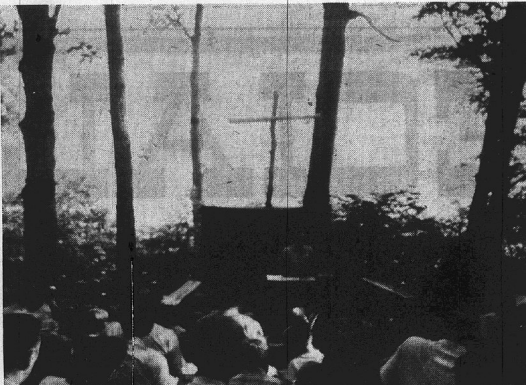

Another fireman reported finding a profane scrawl on the blackboard in a third floor room which ended with the words, "Old Main is burning."

University officials had no comment concerning cause of the fire. "We are making a most intensive investigation," Chancellor MacVicar said. "All resources of the University are at the disposal of the state fire marshal."

Demolition work started Monday on the ruins. Anthony Blas, director of the university physical plant, said a crane would knock down the top of the brick walls, probably to the second story level, as a safety measure. Attempts would be made to salvage some of the limestone facing blocks and metal columns, which would be stored for possible reuse. Blas said he had no information on any rebuilding plans.

Leaving for Germany

Pfc Michael Pritchard, a son of Mr. and Mrs. John Pritchard, 2874 Washington avenue, left last night for Fort Dix, N. J. after spending an 18-day leave with his parents. Pritchard, a 1966 graduate of Granite City high school, received his basic and AIT training at Fort Leonard Wood. He will leave shortly for a new assignment in Germany.

YMCA INDIAN GUIDE CAMP at Little Grassy Lake, Carbondale, this week included this outdoor church service at the shore of the lake. The lower pictures (left to right) show Bill Winter, 3310 Wilshire drive, with a 16-inch crappie he caught during the outing; Jeff Burress, 3282 Westchester drive, viewing animal skins displayed during nature study; and John Schaffer, assisted by his father, Walter Schaffer, 3320 Johnson road, in a leathercraft project.

New Official Titles At First GC Saving

New titles were designated in the by-laws of the First Granite City Savings and Loan during a regular board meeting conducted Monday. Under the revised titles, R. C. Barney was named chairman of the board, and Fred R. Williams was named president. Others with new titles are David G. Knollman, vice-president; Leonard S. Hopkins, second vice-president; Carol C. Howard, secretary-treasurer, and Mrs. Nancy Wade assistant secretary-treasurer.

Rev. Hawk to be Frocked As Redemptorist Priest

Rev. Patrick Hawk, CSSR, of Granite City public schools, has been informed by Dr. Glenn Waterloo of the State Office of Public Instruction that a local application for an innovative project in guidance services has been approved. The grant will finance development of guidance lines for guidance services in kindergarten through the twelfth grade as a discipline of pupil personnel services.

Mrs. Sandra Kopsky, Roy McConkey and Vasil Eftimoff, guidance director, have been assigned the task of editing this summer suggestions obtained from other school districts and the research and requests submitted to them from guidance personnel, principal, teachers and heads of departments.

Upon review and acceptance by the board of education, the guidelines will be ready for distribution here at the beginning of 1969-70 school year. Arrangements also are to be made for them to be obtained by other Illinois school systems.

After attending Sacred Heart parochial school, Father Hawk entered the Redemptorist Seminary, St. Joseph College, in Kirkwood, Mo., and completed high school and two years of college at St. Joseph's College, Edgerton, Wis. He professed his vows as a Redemptorist on Aug. 2, 1962.

He received a bachelor's degree in philosophy from Immaculate Conception Seminary, Oconomowoc, Wis., and a bachelor's degree in theology and a master's degree in religious education from Mt. St. Alphonsus Seminary, Esopus, N. Y.

During the past three summers, Father Hawk has worked in parishes in Chicago and Detroit. Always keenly interested in films, he plans to continue his studies of film art and movie making to use them in his communication of the Gospel.

His first assignment will take him to St. Alphonsus (Rock) Church in St. Louis on July 13. Sharing the joy of his ordination will be his parents, Edwin and Elvora Hawk, his sister, Miss Mary Ellen Hawk, and

REV. PATRICK HAWK

pastor, Rev. Joseph Enright.

Father Hawk will celebrate his first Solemn Mass at Sacred Heart Church at 3 p.m. June 28. Concelebrants will include Redemptorist Fathers David Jacobs, John Andree, James Colgan, Harry Gries, Len Kothisen, James McMullin, Lyn Miller and John Phelps. Father Jacobs will preach the homily.

A reception will follow the Mass at the Knights of Columbus hall, 21st street and Edison avenue.

State to Finance Work On Guidance Guidelines

B. J. Davis, superintendent of Granite City public schools, has been informed by Dr. Glenn Waterloo of the State Office of Public Instruction that a local application for an innovative project in guidance services has been approved. The grant will finance development of guidance lines for guidance services in kindergarten through the twelfth grade as a discipline of pupil personnel services.

Mrs. Sandra Kopsky, Roy McConkey and Vasil Eftimoff, guidance director, have been assigned the task of editing this summer suggestions obtained from other school districts and the research and requests submitted to them from guidance personnel, principal, teachers and heads of departments.

Upon review and acceptance by the board of education, the guidelines will be ready for distribution here at the beginning of 1969-70 school year. Arrangements also are to be made for them to be obtained by other Illinois school systems.

Young Vandals Caught

Four boys who broke two flood lamps on a sign board at the Suburban Baptist Church, 2500 St. Clair avenue, were located by the pastor, Rev. Wendell Garrison, and were referred to juvenile authorities.

Advance Tickets for State Fair on Sale

Advance ticket sales for all events at the Illinois State Fair went on sale Monday, and seats will be distributed on the basis of first come first served. The exact cost of the tickets must accompany all requests and should be in the form of a personal check, cashier's check or money order for the exact amount.

Brochures showing the cost of programs are available from the State Fair office, Administration Building, State Fairgrounds, Springfield, Ill. 62762. Fair Manager Rust suggests that auto race tickets be ordered separately from all other ticket requests.

Girl Scout Day Camp Sessions Provide Variety of Outdoor Activities

BROWNIE RINGS formed by the smaller scouts in a wooded area at Camp Lakota.

CAMP COUNCIL to go over details of daily programs being conducted by Mrs. Harry Fryntzko and Mrs. David Hessel.

First of 3 One-Week Sessions at Camp Lakota

"You mention Girl Scouts, and the reply you get is 'Oh yes, those cookies are the best,' but there's more to Girl Scouting than cookies."

Mrs. Victor Davis, Day Camp director for the entire River Bluffs Girl Scout Council, made that remark in submitting official Girl Scout photographs of the Day Camp activities of Quad-Cities area Girl Scouts and Brownies at Camp Lakota.

The first of three one-week Day Camp sessions started this week for 96 local girls. Another group of 96 girls will go next week and a third group of 96 the following week.

"Day Camps provide good, wholesome outdoor fun for the girls, and they are taken to the camp each morning and returned to central points in the afternoon by bus," Mrs. Davis explained.

During the winter months, the

girls meet weekly in troop sessions to work toward badges, and the activities include first aid, hobbies, art and homemaking programs, as well as nature studies and camping.

In the summer months, through the Day Camps and the established camps, the concentration is heavier on nature studies and the joys of camping out, Mrs. Davis explained.

"Camp Lakota," she continued, "is an ideal spot for a day camp. It's in the rolling hills of the bluffs near Glen Carbon, just off I-270."

"It has open fields, woods, a creek and a lake and plenty of places for little camping sites. The girls find it provides a most pleasant outdoor atmosphere; away from the city, but yet close by."

Council-wide, Mrs. Davis is directing five Day Camps which will provide outdoor activities for 1800 girls.

HIKING OVER HILLS at Camp Lakota near Glen Carbon are troops of local Girl Scouts at the annual Day Camp.

LUNCH TIME at Day Camp provides time for a brief pause in a full day of activities. Picnic tables are placed in a shaded area.

Bible School Program Set for this Evening

The closing program for the Vacation Bible School of St. John Lutheran Church will take place at 7 o'clock this evening. This year's theme for the two weeks was "Living God's Way." Ten Bible stories were covered with film strips, work books and handcraft projects. Demonstrations in all of these will be made during the closing exercises and there will be appropriate hymns which the children have learned. Certificates will be presented by the teachers for attendance and classwork, and all guests will be invited to inspect the handcraft exhibit. The pastor, Rev. Samuel Boda, will present teachers and assistants with certificates.

Enrollment this year totaled 85. Serving as teachers during the course were: Mrs. Olivette Settlemore, Mrs. Lori Wilson, Mrs. Diane Gebhart, Mrs. Rosemary Dujka, Mrs. Judy Chapman, Mrs. Sharon Voyles, Miss Phyllis Boda, Miss Terry Potter and Mrs. Helyn Potter. Assisting were Mrs. Anne Dombek, Mrs. Maud Bates, Miss Donna Holman, Miss Vicki Gerkin, Miss Betty DeVine, Miss Susan Mackney, Miss Debbie Boker, Miss Vicki Ward, Miss Ellen Boda, Miss Kathie Petrovich, and Miss Peggy Schmitz.

The supervising staff consisted of Mrs. Denise Schmitz, general secretary; Mrs. Judy Chapman, refreshments; Miss Phyllis Boda, organist; Pastor Boda, superintendent; Karol Dujka, assistant superintendent. The Bible school is under the supervision of the congregation's Board of Christian Education made up of Michael Schmitz, Dominic Greco, Robert Springer and Gene Potter. Women of the church volunteered their services in bringing and serving refreshments during the daily recess, working through the Women's Service Guild.

After the closing program there will be an ice cream social on the church lawn, sponsored by the Young People's Society. The Bible school will close officially tomorrow, sessions beginning at 9:15 and closing at 11:30 a.m.

Truck, Engine Collide
A truck driven by Robert Russell, 1848 Spring avenue, collided with an Illinois Terminal Railroad switch engine at the 22nd street rail crossing at 4:10 p.m. Monday. The right side of the truck was damaged. Albert Brown, East Alton, was the engineer.

Granddaughter of GC Resident Dies Tuesday

Miss Janice Ellen Broadway, 18, of South Holland, Ill., the granddaughter of Mrs. Gerald M. (Helen) Broadway, 2439 State street, succumbed to a cerebral hemorrhage about 3:15 a.m. Tuesday which occurred in her sleep at home.

The young woman had not been ill and was to have graduated yesterday from Thornridge high school in her home community. She was born in Chicago and had visited here frequently with relatives. She was preceded in death by her father, Gerald R. Broadway, formerly of Granite City, who died in June 1963.

The oldest of five children, she leaves her mother, Mrs. Ellen Broadway; two brothers, Eric and Bruce, and two sisters, Beth Ann and Marcia, all at home; an aunt, Mrs. Paul (Marie) Kratz of Granite City; and two grandmothers, Mrs. Broadway and Mrs. Agnes Engman of Chicago.

Funeral services will be held at 1:30 p.m. Friday at the Redeemer Lutheran Church in South Holland, with interment in the Chicago area.

Injury Suits Settled For \$150,000, \$50,000

During the present jury setting in Madison county, settlements have been made in two local industrial accident cases.

For Larry King, 2126 Illinois avenue, a settlement of \$150,000 was effected. Defendants were Guarantee Electric Co. and Granite City Steel Co.

King sustained a leg injury June 12, 1967, while working for Koppers Construction Co. at the local steel plant. He contended that Guarantee Electric was repairing a crane which it inadvertently placed in operation, pinning his legs.

Edward Kofahl, 2905 Dale avenue, a construction worker, alleged injuries to his back when employed by Mesta-Wilson-Foster at Granite City Steel.

His claims also involved both the steel company and Guarantee Electric.

He alleged that because of a lack of scaffolding and inadequate lighting, he fell in a roller pit which was under construction.

His claim was settled for \$50,000.

Attorney Morris B. Chapman represented both claimants.

Population Trend Toward More Young, Old During Postwar Era

(Granite City Long-Range Plan)

The population of Granite City, 3122 in 1900, climbed 6781 to reach 9903 by 1910, rose 4534 to 14,437 by 1920 and increased 10,372 to a level of 25,310 by 1930.

It dropped 2156 to total 22,974 as of 1940, increased 6917 to a figure of 29,891 in 1950 and soared by 10,608 to a mark of 40,073 in 1960. A special census in 1967 gave the population as 46,883, a decrease of 205.

Principal new residential development has been to the north and east of the city and north of Granite City high school. These areas have developed rapidly since 1960, and continued development is almost certain.

This development is expected to be primarily single-family residential. However, substantial medium-density residential development will be in areas, especially along the major collector streets.

During the period through 1985, it is anticipated that some multi-family residential development will occur in and around the Central Business District.

The city had a higher proportion of its population in the 0-19 age group than did the state or the nation.

The substantial increase in the pre-school group, 5.1 and higher birthrate in Granite City and an emigration of families with young children.

documents from the multi-story classroom, museum and office structure, there seems little doubt that the blaze stemmed from arson—a tragic occurrence at a center where analysis and reason are taught as the path toward human progress.

Even though the culprits have been more youthful than a clear example of law-breaking and violence had been set by college students for them to imitate.

Young demonstrators have succeeded in closing or closing a clear example of law-breaking and violence had been set by college students for them to imitate.

Such acts are so wanton, senseless and impossible to rationalize that anyone who opposes full prosecution and accelerated preventive steps as "repression" ought to have his head examined.

Governor, Universities See Catastrophe

Unless a State Income Tax Is Approved

It was probably inevitable that legislators would put their ears to the "grassroots" and begin to voice doubts about the advisability of a major new Illinois tax program like the proposed state income tax. It was equally certain that attention would then be called to a long list of new and old services provided in financial jeopardy by Assembly inaction.

Such a list has been cited by Gov. Ogilvie, who has been pushing hard for a flat 4% income tax and said this week that the 3% plan approved Monday by the Senate Revenue Committee "is the minimum tax level that will support the Illinois state government."

He added, "I am hopeful that the search to reduce spending to conform to foreseeable revenue will be conducted with a view toward meeting fully the priority obligations of the state. Cutbacks in less urgent programs cannot be avoided if we are to meet our vital commitments."

Regardless of whether individual citizens are favorably or unfavorably inclined toward a state income tax, the governor's recital of what would be lost unless there is such a tax is worthy of study by all.

Lack of an income tax would prompt the president of Illinois State University to recommend a year's suspension of operations by the 12,000-student school. President Morris of SIU and SIU-SW says, "New and transfer student enrollment would be barred retroactively and many continuing students would be dropped in midstream of their academic careers. Student attendance would have to be restricted to only a portion of the school year."

Gov. Ogilvie relates, "No less than 71 state parks, memorials and recreation areas would close their gates; only the seven most popular parks would remain open. There would be a widespread teacher layoffs and deep cuts in school programs; there would be no increase in the present, already inadequate \$400 per-pupil foundation level for local schools. Capital projects would face almost total elimination."

"Airport runways endangering the lives of air travelers every time an airplane lands and takes off would go unrepaired. Penal institutions may be closed, and the doors of our parole system designed to speed the return of criminals to productive citizenry would be reduced 50%."

At least a half-dozen youth institutions would have to close. Our mine inspection team would be reduced to a level inadequate to assure even minimum safety standards for Illinois coal miners. Sight and hearing schools and children's hospitals probably would face closing and the visually handicapped institute definitely would."

It is not a cheerful outlook, even allowing for some degree of exaggeration by concerned administrators and planners. But it will need to be kept in mind as the painful state monetary debate moves toward a decision this month.

On time in the fall, I think the bond board should be fair enough to issue, now let's see that the ball rolling so that their money goes where it's due. Let's keep the Granite City school district one we can brag about. We as parents and taxpayers have a right and duty to see that the teachers get what they deserve.

A Dangerous Proposal Still Lurks

What must be considered the worst bill of the current legislative session remains alive and kicking.

It is a proposal to start Illinois on a new system of road financing that ultimately will result in almost half of our gasoline tax going for interest rather than road construction.

The measure is House Bill 448 which has been amended to remove a few objectionable points, while adding others, but the basic measure would start Illinois on an interest-bearing bond issue from which we would never recover.

The measure—five times larger than any bond issue in our history—has been reduced from a \$225 billion bond issue for roads to a \$225 billion bond issue but the interest has been raised from 6% to 7%.

That means we will be spending more money on interest than for roads. If the bonds were to be retired normally on a 30-year basis, the result would be \$2.1 billion in interest to \$3 billion in road construction.

But a little sentence buried deep in the bill allows a postponement of the payment on principal for ten years, which means that the interest cost will be even higher.

Ten years from now your gas tax will rise at least 5% cents per gallon—just for interest. That is, if the money goes for interest. But if the present practice of allocating part of the tax revenue to local government is continued, it would take about 7% cents per gallon just for interest.

On top of that comes the payment of principal. If House Bill 448 passes, we can expect the gas tax to move up approximately 10 cents per gallon ten years from now.

People will start screaming, but it will be too late. The present bill is a "politicians' dream"—to build the roads now and 40 years from now people will still be paying for them.

Worse than that, it will start a trend which will be almost irreversible. This will be the easy route for builders of roads in the future.

Those who hold public office now can "point with pride" to roads we have built, and proudly the roads holden are out of office before the awful truth and high taxes hit the public.

Illinois needs better roads, but we should pay for them as we go. If we get caught in the trap of House Bill 448, we will never get out.

50 YEARS AGO

JUNE 12, 1919

A Washington avenue man was hurt when he attempted to crank the engine of his automobile while it was still in gear. The back kick of the crank evidently broke his wrist but he failed to notice because he was too occupied in getting back into the car and starting it.

In attempting to crawl up over the side door, he leaned on his injured hand and it gave way. He fell down and rolled beneath the car, the rear wheels of which passed over part of his body, breaking his right arm again, this time splintering it at the elbow joint.

Although severely bruised, he managed to get up and stop the car. This time, instead of trying to get it started again, he walked away. He declared that he decided to quit mending over a little thing like that, and will tackle it again as soon as his arm permits.

25 YEARS AGO

JUNE 12, 1944

Venice Mayor J. E. Lee Jr. reapportioned for the next year, M. E. Hayden as police chief, Walter Rogers state superintendent, Thomas Britt building custodian, Luther Broyles garbage collector and James McGowan, George Hed and Charles Davis, board of examining engineers and boiler inspectors.

With a police broadcasting system to be installed, it was decided to invite the sheriff and mayors and police chiefs of cities having radio systems to a conference to consider the advisability of all such stations being placed on the same wave length.

Henry O. Lovett was elected president of the board of governors of the Tri-City Area War Chest. George Warnecke is first vice-president, Roy M. Lynn second vice-president, Louis Burger treasurer, Mrs. Helen Bergfield recording secretary and Roy S. Rauscholt, executive secretary.

Japanese people, stemming partly from recollections of the horror of the nuclear detonations over Hiroshima and Nagasaki in 1945. They have 200,000 men in uniform for defense purposes, but no atomic power and are forbidden by their constitution to send any soldiers away from Japanese soil.

This attitude and the continuing division of Germany into two countries are gone now to alienated nations which remember Pearl Harbor and the thwarted drive to ensnare the world three decades ago. It now seems probable that a third war would be started by the countries responsible for world war II.

Japan has developed a strength involving Japan has left the major responsibility on Uncle Sam to deter Red aggression as the subject of rising discussion.

Any major U. S. military or naval action originating in Japan must be cleared with the Japanese government. Japan is a nation, whereas we are free to do whatever we wish at the convenience of the United States. The result, full transfer to Japanese rule would result in a big problem for American defense planners.

Officials of Japan are acknowledging the public with somewhat "tough talk" but say privately that the controversy can be worked out if the "fine print" of the agreement is drafted with sufficient care. Japan will get Okinawa, and we will retain most of our present military bases.

Vietnam Serene From the Air But Storm Center of Debate Over How--and Whether--Free World Should Oppose Reds, Aid Democracy

By WILLIAM F. WINTER

Forty-seven touring members of the International Conference of Weekly Newspaper Editors could hardly detail their reports "Vietnam"—but they crossed that strife-torn land twice during their 25,000-mile journey halfway around the world and back last month.

The first crossing was on a KLM (Dutch) flight from Manila, Philippines, westward across the Asian mainland, traversing South Vietnam and the Laos-Cambodia area before entering Thailand and landing at Bangkok.

From an altitude of 35,000 feet, Vietnam appeared serene and quiet, with only an occasional military base distinguishing it from the way it appeared decades ago. The route was north of Saigon but south of DaNang near the Qui Nhon area.

Several days later, the group flew via a China Air Lines plane from Bangkok northwestward to Hong Kong at about 30,000 feet, angling across South

MORE ABOUT Miss Granite

rehearsal this evening at the high school and a judges' tea at four o'clock Saturday at the Rose Bowl.

During the tea, each of the candidates will be interviewed by the panel of four judges, whose identities remain undisclosed prior to the pageant.

Basis of Judging
Judging is based upon talent presentation, poise, and beauty in the evening gown segment of the contest, appearance in a swimming suit and personality. Contestants will be rated on a five-point scale, with the first place winner in each segment receiving five points and last, one point.

This year's candidates are all brunettes or have light brown hair. Six have brown eyes, one has blue-gray and the eighth candidate is blue-eyed. Average age of the contestants is 18 years, 1½ months. Theme of the 1969 Miss Granite City Pageant is "Caricatures of Beauty," which will be symbolized with four feet by six feet facsimiles of each contestant, suspended amid special lighting effects on the pageant stage. Replacing the usual background organ music this year will be accompaniment by a five-piece combo under the direction of John Fornasewski, a Jaycee member and owner of a local music store. Earl Parsons will preside as master-of-ceremonies, introducing each contestant and recounting her qualifications as she appears onstage. All scenery to be used in Saturday's extravaganza has been constructed by Jaycee Darrell Grindstaff and Parsons. Cal and Bonnie Lazenby, proprietors of Lazenby Studio, 2820 Namont road, are acting as official photographers for the Miss Granite City contest, Domitrovich announced.

Awards for Winner
Winner of the 1969 Miss Granite City crown will receive a \$300 scholarship award from the Pepsi Cola Bottling Co. of Alton, plus other gifts from the young men's service club and local merchants. Eight Granite City business firms are serving as patrons for the candidates.

The new Miss Granite City also will receive an all-expense paid trip to Aurora, where competition for the title of Miss Illinois will get under way on Monday, July 21. Parades, teas, interviews, rehearsals and preliminary contests are held prior to the state finals, which will be climaxed late Saturday evening, July 26. The state winner receives additional scholarship awards and other prizes, amounting to almost \$4000, and the opportunity to compete in the Miss America finals at Atlantic City, N. J., in September.

Candidates, their sponsors, measurements and talents, are: Miss Janice Beth Chandler, 17, daughter of Mr. and Mrs. Leland Chandler, 2904 Dogwood drive, whose sponsor is John Sobol Realty Co. She weighs 116 pounds, is five feet, six inches tall and her measurements are 36-24-36. Her talent presentation will be a baton twirling routine.

Miss Dottie Carolyn DeWitt, 18, daughter of Mr. and Mrs. James P. DeWitt, 1536 Lindell blvd., will present her talents as a vocalist and dancer. She is five feet, seven inches tall, weighs 115 pounds and her measurements are 34-22-34. First Granite City National Bank will sponsor the candidate.

Miss Jackie Ann Odum, 19, daughter of Mr. and Mrs. Earl Odum, 3009 Marshall avenue, will play the guitar and sing as her talent presentation. She is five feet, 2½ inches tall, weighs 110 pounds and her measurements are 34-22-35. Her sponsor is Woodrome Oldsmobile Inc.

Miss Patricia Kinkel, 19, daughter of Mr. and Mrs. Lester Kinkel, 2821 Forest avenue, will deliver a comedy reading as her talent segment of the show. She is five feet, three inches tall and weighs 103 pounds. Her measurements are 33-22-34 and her sponsor is Granite City Sheet Metal Co.

Miss Linda Kutosky, 20, daughter of Mr. and Mrs. Joseph Kutosky, 2963 Washington avenue, is being sponsored by Mercer Mortuary. She is five feet, four inches tall, weighs 110 pounds and her measurements are 34-22-35. She will perform fluff selections from the "Sound of Music."

Miss Denise Cecile Madril, 17, daughter of Mrs. Anne Madril, Box 1285, Rural Route One, will offer a dramatic reading as her talent presentation. Her measurements are 35-24-36. She is five feet, 4½ inches tall and weighs 120 pounds. Her sponsor is Madison County Federal Savings & Loan.

Miss Constance Rotter, 17, daughter of Mr. and Mrs. Robert Rotter, 2453 Pine street, is sponsored by Helman's Style Shop. She is five feet, five inches tall, weighs 115 pounds and her measurements are 36-23-36. She will present a gymnastic routine on uneven parallel bars as her talent.

Miss Lauren Kay Shelton, 18, daughter of Mr. and Mrs. Cecil Shelton, 3100 Edgewood drive, will present a vocal and dance routine as her talent segment. She is five feet, 2½ inches tall, weighs 115 pounds and her measurements are 36-24-36. She will be sponsored in the pageant by Granite City Trust & Savings Bank.

Census Bureau Plans Employment Survey

A sample of residents of this area will be included in a nationwide survey of employment and unemployment to be conducted during the week of June 15 by the Bureau of the Census, U. S. Department of Commerce, according to Theodore F. Olson, director of the Bureau's regional office in Chicago.

The monthly survey is conducted by the Bureau of the Census for the U. S. Department of Labor, and the information is used to calculate the number of persons with jobs, the number of people looking for jobs, and the monthly percentage of unemployment, which is regarded as one of the most important measures of the nation's economic health.

The information is used for statistical purposes only, and facts about each family are kept completely confidential.

Bake-off Contest Deadline Near

Illinois women interested in entering the Bake-off contest this year at the Illinois State Fair are reminded that June 15 is the deadline to submit recipes for the event. Main dish recipes are not eligible, but any number of favorite recipes for cakes, pies, cookies, bread, coffee cake or baked dessert may be submitted.

The contest is slated Aug. 9-15 and finalists will make at least one appearance during the fair to bake a sample of the recipe submitted.

Grand champion, to be selected Aug. 15, will receive a prize of \$50, Governor's Trophy and three \$50 government bonds given by the CIPS Co., Illinois Power Co. and Minot Co., the latter if Minot is used. Daily awards of \$25 for first and \$15 for a second are also presented Aug. 9-14.

Entrants whose recipes are judged best will be notified after the June 15 deadline. These winners must send an entry blank and a \$2.50 entry fee to the Illinois State Fair Bake-off Contest, Entry Dept., P. O. Box 576, Springfield, Ill. 62705, no later than July 26.

Route 157 Hearing Set for July 15th

A public hearing to consider the design of Illinois Route 157 in Madison county will be held at 10 a.m. July 15 in the Farm Bureau Building in Edwardsville.

Public Works Director William F. Cellini said citizens are invited to participate in the discussion.

The location to be considered extends from Interstate Route 270 south to Interstate Route 55-70.

Maps showing the proposed location will be on display at the hearing for public inspection.

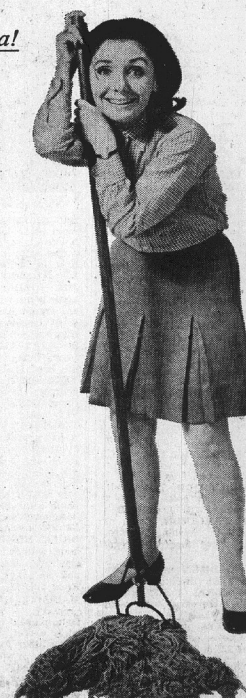

Personnel of the East St. Louis district office of the Illinois division of highways will discuss individual problems concerning the route location prior to and after the hearing.

Hospitalized
Elza E. Jones, 2102 Pontoon road, has been hospitalized in Barnes Hospital, St. Louis, and will undergo blood clot surgery. His room number is 6209.

Open Letter To the General Public "Don't Gamble With Your Future"

ATTENTION: HOMEOWNERS & HOME BUYERS—
"DON'T GAMBLE WITH YOUR FUTURE." "YOU" cannot afford to trust the purchase or sale of your home (perhaps the biggest deal of your life), to anyone but a REALTOR. A REALTOR is a PROFESSIONAL BUSINESS MAN who has earned the right to be a member and who subscribes to the rigid rules and regulations of the Local, State and National Real Estate Boards of America. A REALTOR must earn his living only in the PROFESSION OF REAL ESTATE. He must maintain a full time business office (apart from his home) and he cannot employ part-time untrained salesmen or other unlicensed personnel. He cannot work or be employed part time in any other industry. A REALTOR is pledged to observe a very strict CODE OF ETHICS in the handling and servicing of every Real Estate transaction. A REALTOR is further governed by a strong PROFESSIONAL STANDARDS COMMITTEE composed of several of the most respected members within the Local Real Estate Board. This Committee has the authority to discipline, fire or dismiss any fellow member who violates the CODE OF ETHICS in business practices with the public. Further, any Homeowner or buyer may file a complaint or grievance against any Realtor for a private hearing before the PROFESSIONAL STANDARDS COMMITTEE. A REALTOR may not use false or misleading advertising. A REALTOR must not persuade, coerce or influence a client to accept a bad deal in order to make a quick and easy commission. Such deals may leave the client with very little more or impose heavy financial burdens impossible to cope with. A REALTOR is required by law and does, keep all the client's monies in a SPECIAL ESCROW BANK ACCOUNT, and is forbidden to use or co-mingle any part of these funds for personal use.

NOTE: (Records show many violations of this law.) REALTORS work and are closely associated with other Professional Men such as the best Attorneys in the area, to safeguard the client's rights to Title and Property. Again may we respectfully remind you, "DON'T GAMBLE WITH YOUR FUTURE." "CALL A REALTOR," a Professional Business Man, whose office and reputation is his BADGE OF HONOR.

GC Junior Service Club Donates TV to Scott AB

The Granite City Junior Service Club has donated a 10-inch portable television set to Scott Air Force Base Hospital, Belleville, for use by wounded Vietnam veterans who are confined there.

Presentation of the television took place Sunday afternoon at the hospital by Mrs. Sandy North, club chairman, the gift project and Mrs. Audrey Jaros, club president. Twelve members of the local club were present for the brief ceremony, after which they were escorted on a tour of the hospital facilities by Air Force Major John McConnell.

About 150 wounded Vietnam returnees were patients at the military hospital Sunday, according to Mrs. Innes, who said most servicemen are transferred to other facilities within a short time after arriving by evacuation plane at Scott AFB.

County Tax Rise in Quad-Cities Outstrips All Others Over 5 Years

(Fourth of a Series)
By HARRY BARNES

The Madison county government—which receives a share of operating funds from every taxpayer in every township of the county—has incurred the largest tax cost rise percentage-wise of any other tax agency in the Quad-City area during the past five years, according to a Press-Record study of tax rates, assessments and tax extensions.

Between the 1963 tax year and the current tax extension for the 1968 tax year, collectible this summer, the tax cost for county government to Quad-City residents climbed from \$466,831 to the current \$1,223,919—an increase of 162%.

Of the total county tax bill of \$1,223,919 for the Quad-City area this year, Granite City was to be billed for \$888,028 of the amount, or well over half the total, while taxpayers of Venice, Nameoki and Chouteau townships will pick up the bill for the remaining \$335,891.

This year's county tax bill for Venice township property owners will amount to \$267,007 while Nameoki taxpayers will be billed for \$146,431 and Chouteau township taxpayers \$111,853.

Same County-Wide Rise

The percentage increase in tax costs for county purposes during the past five years in the Quad-City area is, coincidentally, identical with that of the increase on a county-wide level.

The county-wide tax extension for county purposes in all 24 townships for the 1963 tax year amounted to \$1,442,672. Two years later, for the 1965 tax year, it stood at \$2,255,555, and the following year rose to \$2,668,623.

For the 1967 tax year, the county tax extension moved upward to a total of \$3,232,374 and the extension for the 1968 tax year to be collected this summer is \$3,820,125.

Thus the county-wide tax increase during the five-year period amounted to \$2,377,453—or an increase of 162%.

While tax records of most agencies reviewed in these articles have been based on a period covering the past ten years, the rise in county tax costs does not date back that far. In fact, the tax bill for county purposes in Quad-City townships for the 1963 tax year was less than that of the 1958 tax year five years previous.

Tax Higher in 1968

Granite City taxpayers were billed for the 1958 tax year for \$313,926 in county taxes, compared to the \$888,028 extended for the 1963 year, while in Venice township a bill of \$146,598 was extended for county tax in 1958 compared to \$146,598 for the 1963 year. The Nameoki 1958 extension was \$146,598 compared to \$146,598 for the 1963 year.

These figures show that in all four townships of the Quad-City area, the tax for county governmental purposes had declined during the five-year period between 1958 and 1963, but

Granite City PRESS-RECORD
Page 44 Thurs., June 12, 1969

County Tax Costs Show Sharp Rise

	1958 Tax	1963 Tax	Current Tax	Five-Year Increase
Granite City	\$313,926	\$260,813	\$ 698,588	\$437,775
Nameoki	\$3,347	\$3,740	\$46,431	\$6,651
Venice	\$146,598	\$118,015	\$267,007	\$146,592
Chouteau	\$42,099	\$38,223	\$111,893	\$73,670
Totals	\$556,170	\$466,831	\$1,223,919	\$757,088

began a sharp rise in 1964 and continued upward at a sharp pace.

The fact that the rising tax extensions were accompanied not only by rising tax rates but by mounting property valuations as well are indicative of substantially increased tax levies by the county board of supervisors to provide more funds for government operating purposes.

During the past five years, the overall property valuation of the Quad-City area has increased from \$266,738,306, established for the 1963 tax year, to \$304,448,087 in the 1968 tax year—a rise of \$37,689,791.

Robt. Daugherty, 79, Dies; Ill 15 Months

Robert H. Daugherty, 79, a retired Granite City Steel Co. pipefitter, died at noon Tuesday in St. Elizabeth Hospital. He had been in failing health for 15 months and entered the hospital a week ago.

Mr. Daugherty, a native of Stewart County, Tenn., lived in Granite City about 17 years, returning to Tennessee 13 years ago upon retiring from Granite City Steel. When he became ill, he and his wife moved back to Granite City and resided with a son-in-law and daughter, Mr. and Mrs. Kenneth (Irene) MacClatchey, 3407 Lydia lane.

Mr. Daugherty was a member of the Mount View Presbyterian Church at Dover and served as an elder.

Other survivors include four sons, Sidney Daugherty of Edwardsville and Selton, John and William Daugherty, all of Granite City; 10 grandchildren and five great-grandchildren.

Funeral services will be conducted at 2 p.m. Friday at the Mount View Presbyterian Church at Dover. Further information is given in today's obituary column.

Madison Police Arrest Six in Radar Drive

Six traffic arrests on speeding charges through use of radar equipment on Madison avenue were reported Tuesday by Madison police.

Those ticketed were Margaret E. Roberts, 3308 Franklin avenue; Delmar Sykes, East St. Louis; John E. Taylor, East St. Louis; Sharon Hartline, 1815 Edwardsville road; Michael Beasley, 2123 State street; Gary Babcock, 2321 Cardinal street.

Police said they also ticketed Archie T. Pulley, 4081 Brumby blvd., Pontoon Beach, on a charge of driving without a valid driver's license.

Of the increase, \$23 millions has been in Granite City, \$8 millions in Nameoki township and \$8 millions in Chouteau township. Venice township has had a reduction of \$1 million in its assessed valuation during the last five years because of \$67,437,807 in 1963 to \$66,419,784 for the 1968 tax year.

During the five-year period, the county's tax rate has risen consistently. For the 1963 tax year the rate stood at 17.5 cents per \$100 assessed valuation, rose to 19.5 cents for the 1964 year, to 26.1 cents for 1965 and reached 28.8 cents for the 1968 tax year.

For the 1967 tax year in

creased tax levies sent the rate up to 35.7 cents and for the 1938 tax year on which this year's collections are based hit a record high of 40.2 cents.

Oddly enough, only two Quad-City townships have shown a definite pattern of tax cost increase in operation of the township governments over the past decade, while the other two showed increases during the first five year period followed by tax cutbacks in the current tax extension.

Town Costs Rise

Total tax figures for all four Quad-City township governments, however, show continuing tax rises in five year periods since the 1958 tax year.

Total tax extensions for township purposes of Nameoki and Chouteau townships for the 1968 year represent increases totaling \$104,485 over their 1963 tax extension. This is reduced to the \$45,172 overall increase by reductions in the extensions for Venice and Granite City townships.

All four Quad-City townships showed sizeable tax cost increases during the first five years of the last ten-year period. For the 1958 year, Granite City township had a township extension of \$18,888 which had risen by 1963 to a total of \$196,737. Nameoki, which had a 1958 tax bill of \$88,883 for town purposes, had an extension of \$145,648 for the 1963 year; the 1958 extension of \$100,889 for Venice township rose to \$126,786 for 1963 and Chouteau's 1958 extension of \$66,381 increased to \$87,303 by 1963.

Granite City's 1968 extension, however, is for \$168,562, a reduction of \$28,175 below that of five years ago, while the Venice township tax bill for 1963 is \$86,648, or \$31,155 less than that of five years ago.

10 Are Appointed To Faculty Posts At GC Schools

Continuing to fill faculty positions for the 1969-70 school year, the Granite City school board on Monday night hired 10 teachers effective with the start of the fall term in late August.

Those employed were: Lawrence J. Putz, St. Louis, master degree from Northeast Missouri state and seven years of experience, and Lee A. Spencer, Florissant, Mo., master degree and nine years, as school psychologists in the Quad-City special education cooperative program. They had been recommended by the special education board, composed of superintendents and designated members of the Granite City, Madison and Venice school systems.

Charles J. Mizeraki, 2869 Madison avenue, bachelor degree from Peru State, Neb., College, high school driver education.

Michael Edwards, 2236 Grand avenue, SIU bachelor degree, mathematics at Prather junior high school.

Al J. Mueller Jr., 1527 Lindell blvd., Westminster College bachelor degree, Marshall fifth grade, and Mrs. Patricia Sanders, 2238 Washington avenue, Northeast Missouri State bachelor degree, Marshall first grade.

Music Instructor

Keith Curtis, 2520 State street, SIU bachelor degree and four years of teaching, elementary vocal music.

Mrs. Sharon L. Divine, Murray, Ky., Murray State bachelor degree, Frohardt second grade.

Mrs. Carolyn Smallwood, 2445 Cleveland blvd., SIU bachelor degree and two years of experience, McKinley first grade.

And Mrs. Lydia A. Aberl, Bluff road, Route One, Edwardsville, Murray State bachelor degree and eight years of teaching, Webster second grade.

Mrs. Dorothy Marie Luckert, 4051 Breckinridge lane, was employed as a secretary to the high school principal.

Add Laborer Position

Frank Honchak, 3940 Park lane, hired this spring as a temporary laborer for a 90-day trial period during which the need for the additional position was evaluated, was employed Monday night on a permanent basis.

Mrs. Patricia Maxey, a faculty member who has been on leave of absence, was approved by the board for return from leave. She is being assigned as the Niedringhaus grade school physical education instructor.

Leaves of absence were granted for the 1968-70 year to Mrs. Kenneth (Leila) Jones, St. Louis, McKinley school middle primary teacher; Mrs. Edward (Linda) Wiseman, 2724 Harvey place, Maryville school upper primary instructor; and Mrs. Delmar (Beverly) Foote, 1807 Primrose avenue, Nameoki middle primary teacher.

Resignations were accepted from Milton C. Kates, St. Louis, a school psychologist, who is accepting a similar position with the LaGrange, Ill., area special education department in order to return to the vicinity of Chicago; Mrs. Paul (Jeanne) Sims, 3204 Harvard place, Washington school second grade teacher, whose husband has been transferred to Carbondale; and Mrs. Bruce (Mary) Goetz, Wood River, Mitchell kindergarten teacher, whose husband has finished his university study here and the couple will be moving out of the state.

Ray Johnsen Seeks Con Con Delegate Post

Ray Johnsen of Troy is announcing his candidacy for delegate from the 33rd Senatorial District to the state Constitutional Convention.

Johnsen, who formerly was editor and publisher of the Troy Tribune, is seeking one of the two delegate spots from the district.

The candidate received a BA degree from Dana College at Blair, Neb., and the MA degree from Washington University, St. Louis. He taught school in Blair, Stratford-upon-Avon, England, and Troy. While in the armed services, he was attached to the intelligence section of the Hawaiian Artillery Command in Honolulu.

Johnsen, who is active in church and civic affairs, serves as an accountant and tax consultant. He is married to the former Nancy Watson of Edwardsville and the couple has two children.

The primary election for delegates will be Sept. 23.

Edward Moore Re-Named Kiwanis Club President

Edward Moore was re-elected president of the Granite City Kiwanis Club at the annual election meeting held Monday evening at the Rose Bowl restaurant. Induction ceremonies also were conducted for three new members.

Introduced and inducted into the men's service organization by Marvin Barnes, initiation officer, were Samuel Stoolkey, Famous-Barr Co. H. E. M. A. Barker, Schermer Hardware, and Attorney Philip Theis.

Other club officers named to serve in 1969-70, include Norman Hall, first vice-president; George Groves, second vice-president; Alvin Gross, secretary; and Barnes, treasurer.

Directors elected were Herbert Schannott, Peter Jellen, Melvin Gille, William Seabold, Conrad Bauer, Garvin Butler and Bonard Maples. Installation of new officers will take place on Sept. 1.

Preceding the initiation ceremony, Barnes briefly reviewed the history of Kiwanis International, currently in its 54th year of service. More than 275,000 East St. Louis authorities at Kiwanians in 544 communities throughout 18 countries now are

members of the International organization, which dedicates its service to youth.

Moore presided over the business session, with members voting to provide expenses of three Boy Scouts to attend summer camp. It was announced that a "Ladies' Night" is being planned for Monday, June 23, under the supervision of Allen Jones, project chairman.

A sports day event at Tamarack, followed by a banquet at the Belle-Air Bowl will be attended by Granite City Kiwanians Moore, Jellen, Barnes, Groves, Gille, Gross and Schannott. It was reported. A guest at the dinner meeting was Arnold Casen of Edwardsville.

Wounded in Shooting

Donald Garrett, 401 Second street, west Madison, was taken to St. Mary's Hospital, East St. Louis, for treatment of back-stroke wounds received in a shooting early Tuesday morning, according to word received by Madison police from service. More than 275,000 East St. Louis authorities at Kiwanians in 544 communities throughout 18 countries now are
